Hartford Herald, Hartford, KY, 1 May 1889, p3:

**SANDERS.**—Dr. George R. Sanders died at his home at Beda, Ohio county, Saturday, April 27, of pneumonia. Dr. Sanders, when he first came to this county some fifteen or twenty years ago, settled in the Centertown community; afterwards he moved to Beda, where he has resided for the past five years. He was universally respected and admired by the citizens of both communities, while he was held in high esteem by the medical profession of the county. He was for several years the HERALD's regular correspondent from Beda, and the news letters signed "Rambler" were always read with interest. In his death the county sustains a great loss, and the community in which he lived, a greater loss.
