Compiled by Elsie Mae Morgan Thomas (1925-2008)

Messenger-Inquirer, Owensboro, KY, 10 July 1994, p1A:

Bryan Leazenby, Messenger-Inquirer

Elsie Thomas runs through microfilm of old newspapers as she helps with a genealogy project in the Kentucky room of the library Thursday afternoon. Thomas volunteers for people doing research and is an every-day user of the room. “I’d put a bed down here and stay if they’d give me a key so I could come and go.”
