

McKinley Family of Ohio County, Ky.

By Jerry Long, Owensboro, Ky.

e-mail from Jerry Long to Bob Crowe, 1632 Echo Lane, Fort Wayne, IN 46815 (croweman@ix.netcom.com), 14 March 1999:

[note: Mr. Crowe was at the Owensboro Library a couple of years ago and at that time we discussed the exchange of some research time. I gave him a listing of some published biographies that might be at the Fort Wayne, IN library. I said if he would check for these, I would do some lookups for him on his McKinley line here. Last week he called the library and he said he was still interested in doing this. Tonight I listed some of the things I have on the family of Joseph J. McKinley (1851-1930), but did not list the actual data.]

Bob:

This is Jerry Long, of the Owensboro Library. Tonight I thought I might give you a phone call but I could not locate a listed phone number. Also I have never gotten your mailing address.

On your two recent calls to the Owensboro Library two of my fellow employees copied e-mail addresses for you. The addresses they listed were totally different. They were:

bcrowe@parkcenter.com [taken by Bettie] &
croweman@ix.netcom.com [taken by Ryan]

Do you have 2 e-mail addresses? The 2nd address did not appear as authentic to me as the first, so I chose the 1st. Is the 2nd address above also authentic?

I have been thinking about other possible projects on Ohio County, KY records. Prior to 1911 there are only a few years that there were birth & death records kept for Ohio County. These include some for the years of 1852-1861, 1874-1878, 1903-1904 - recorded by state of KY. Also some deaths for Ohio County were recorded for the Federal Census years of 1850, 1860, 1870 & 1880. These have never been published. I have entertained the thought of doing a book on these but I am now realizing my limitations. I have already started so many projects that I can not hope to accomplish them all. These records we have on microfilm at the Owensboro Library and they probably have them at the Fort Wayne Library.

I have recently tried to find some of the items that you mentioned in our last conversation. On the children of Joseph J. McKinley (1851-1930) I have the following: John R. (have not found any dates or marriage), Polly Ann White (have birth, death & marriage dates), Nova Ellen Page (have birth & death dates, have her husband's name but not marriage), William Cicero (have birth & death dates, have wife's name but not marriage), Mary Elizabeth Crowe (have birth, death & marriage dates), for 3 twins have birth date (have death date for one that died in infancy, have marriages for the other two,

Tinnie & Renie, but could not find their deaths), Okie Elaine Wilson (have dates for her birth, death & 2 marriages) & Denver B. (found a marriage for him, but do not have his birth & death). Do you have all of the above? I have not yet found the death date for Sarah Elizabeth Westerfield McKinley. She apparently died between 1887-1900. I have not yet abstracted the Ohio County newspapers for those years. I have finished the newspapers for the years of 1875-1886 and for years after 1913.

Bye for now,

Jerry Long, 2906 Redford Dr., Owensboro, KY 42303-1642, 502-684-6299

e-mail from Jerry Long to Bob Crowe (croweman@ix.netcom.com), 21 March 1999:

[note: In reply to my e-mail of March 14 he called the Owensboro Library. We discussed some of the things I had found on the family of Joseph Jackson McKinley (1851-1930). I said I would e-mail him the data this weekend. He promised he would start looking at the Fort Wayne Library for some of the articles I had requested.]

Bob:

The "Hartford Herald" of 8 June 1887 (Wednesday, p3) reported that triplet daughters were born to Joe McKinley, of near Magan, on June 2nd, one of whom died. Their names and no other info was given. The two girls that lived were Lutina & Arrena, who were listed in their father's home in the 1900 Ohio County (p35). In this census they were listed as having been born in July 1887 but their birthday was actually 2 June 1887. The triplet that died (between June 2-7, 1887), according to the late Perdetta Page Cummings, of Owensboro was named "Alminie" (from interview of 27 Oct 1988). She said that Alminie died at birth, and Tinnie & Renie died of flu during the great Spanish Influenza epidemic of 1918.

In Daviess County, KY marriage book 16 - p68 it is reported that Tinnie McKinley married T. P. Crisp on 11 June 1907 in Owensboro. In Spencer County, IN marriage book 19 - p11 is the marriage record of Renie McKinley & Clevial D. Bander on 8 Aug 1914. I have my doubts about the spelling of the grooms name on the latter. I have not checked the original record. It appears this way in a published index of Spencer County marriages - in this I could not find the groom cross indexed under this spelling. In the Owensboro newspapers and Daviess County cemeteries I could find no listing for Tinnie Crisp & Renie Bander.

I have not found Joseph J. McKinley's marriage to his 2nd wife, Julia Ann Young. It would have been between 1900-1902. It was not recorded in Daviess, Ohio, Hancock, McLean or Grayson Cos., KY or Spencer Co., IN. It may have been recorded in Warren County, KY, which is where Julia Ann had previously lived. Julia A. (age 11, b.KY) is listed as a daughter of Thomas Young (71) & Obedience (50) in the 1880 Warren County

census (ED 235, sheet 31). Julia McKinley's death certificate (#3358) records that she died on 19 Feb 1928 in Daviess Co., KY; it listed that she was 58, widow of J. J. McKinley, born KY (birth date blank), father - Tom Young, mother - blank, informant Wes Reeks, buried on Feb 20 at Macedonia. Joseph's son, William Cicero McKinley, died in Warren Co., KY in 1964 - possibly that is where he married Laura Ovia Amos.

I have also done some work on the families of the parents of Joseph J. McKinley & Sarah Emily Westerfield. Possibly we could later compare notes on them. Bye for now.

e-mail from Bob Crowe (croweman@ix.netcom.com) to Jerry Long, 8 May 1999:

Jerry,

Hi again. Thanks so much for the McKinley information that you dug up for me. Also, I'm very sorry not to have gotten back with you sooner. I was in the midst of a change in jobs, but that's hardly really an excuse; mostly laziness. :) However, not too lazy, since I now have that information you had given me notes on to search for. Went through the Allen County Library, and they had most but not all of what you wanted. I've made photocopies and am now waiting for whatever address you send me for mailing the information (I know how to get to the Owensboro library, but I don't remember its address) :) . Actually, I had gotten the info several weeks ago, but just sat on it. If you need to be reminded of what you had asked me for so long ago, let me know also. :) Or, I'll just send it all. There was one Illinois book reference for which I found the book, but couldn't find the woman inside on the page mentioned. I'll get back to you on that. Waiting to hear from you...

Bob,

My mailing address is: Jerry Long, 2906 Redford Dr., Owensboro, KY 42303-1642.

I appreciate you taking the time to check on those biographies. I am eagerly waiting to see the articles. Possibly we can exchange some more research time in the future in a way that will be profitable to us. I have a couple of other books that I would like to find and copy a couple of pages from. If you would be interested in checking for them there just send me some suggestions on what you would like me to look for here.

Happy hunting!
Jerry Long

e-mail from Bob Crowe (rcrowe1@home.com) to Jerry Long, 1 May 2000:

Jerry,

Hi again, it's Bob Crowe from Fort Wayne, IN..how have you been? First off, I'm writing to see if this address is still valid for you. :-) Then if so, please respond, and I'll have some lookup requests for you (or one of your agents), which of course I'll eager to pay for. This concerns the actual Kentucky death certificates from 1911- that you have on microfilm, and also tax lists from surrounding counties for the years 1872-1873. Thanks!

Bob

Bob:

Howdy! My new e-mail address is:

j-long@prodigy.net

The Kentucky Room at the Daviess County Library currently has copies of the 1911-1949 Kentucky death certificates. They have put a 50 year waiting period before each subsequent year can be released. In other words we will be getting the ones for 1950 sometime in 2001. If you would like copies of any of those recorded during 1911-1949 either send a letter or e-mail to the Kentucky Room.

Kentucky Room
Daviess County Public Library
450 Griffith Ave.
Owensboro, KY 42301
e-mail = kentucky@dcpl.lib.ky.us

Send the names and dates of death (or at least the year or approximate year). If you already have the certificate number from the Kentucky Vital Statistics Web page it would be a great help if you sent them also. The charge is 20 cents per copy plus any postage. If you have more than 10 it may take awhile before our staff can find the time to fulfill your request.

A list of the available Kentucky county tax lists that the Kentucky Room has can be found on the WebPage:

<http://www.dcpl.lib.ky.us/krrecords.htm>

If you need a specific year searched in these the Kentucky Room can do it but if you need multiple years that would require more research time than we can do.

Best wishes,
Jerry Long

Mar 12, 2001 e-mail [McKinley] : From Howard McKinley to Jerry Long (hmckinle@apex.net):

Sent me charts on the McKinley family. Mr. McKinley called me a couple of weeks ago to ask about his grandparents, Joseph McKinley & Sarah Elizabeth. Harry D. Tinsley had suggested he call me. He did not know when his grandfather died and where he was buried. I told him he died at the Daviess County, KY Poor Farm in 1930 and was buried there. I told him that his grandmother was a Westerfield. When Mr. McKinley came to the Owensboro Library I made him a copy of the death certificate of his grandfather.

Hi Jerry:

I am sending the McKinley files, we talked about, at the Library, recently. I will send the files, on my brother, and sisters, later.

Thanks

Howard McKinley
