

# Mt. Pleasant Cemetery

## Ohio County, KY

By Jerry Long

On the Rosine - Mt. Pleasant Road about two miles south of Rosine. The cemetery was formerly located near the Mt. Pleasant Church. The cemetery was copied by Jerry Long on 7 May 1988. After comparing my listing with a list compiled by Harry D. Tinsley we found eight differences. On 24 September 1990 I rechecked to see what was the correct reading. Mr. Tinsley told me of several that were buried in unmarked graves in the cemetery. The oldest death date found on a monument was in 1852. Signs of at least 75 unmarked graves.
