

Mount Eden Baptist Church Cemetery

Hancock County, KY

By Jerry Long

Picture taken by Jerry Long on 10 March 1980

On Highway 69 about five miles south of Hawesville, KY. A transcription of the monuments in the cemetery was done by Jerry Long, of Owensboro, KY on 3 & 24 October 1986. A comparison was made with a listing published in the book, Hancock County, Kentucky Cemeteries, Volume I (West-Central Kentucky Family Research Association, McDowell Publications, Owensboro, KY, 1974, pp12-14). Where there were differences in the two listings they were rechecked on 3 March 1989 to get a correct reading. The cemetery has two separated sections – section directly behind the church (oldest death date on monuments is in 1899) and section on the south side of the church (oldest death date on monuments is in 1914). Recent burials in the cemetery were added in November 2021. Names indented are on the same monument as the preceding individual(s). Information in parenthesis is from the monuments. Maiden names were added in brackets.

History Of Mt. Eden Church Is Given By Goldie Garrett

Mt. Eden Baptist Church was officially organized in 1870. It is regrettable that the first 16 years of its history is missing. No information can be given of the organization or the years prior to its organization because of the inadequacy at records.

This history shall be very brief and there is the possibility of error.

The church has always been located at its present site. Three different buildings have housed the congregation. The original building burned in March 1891. Following the fire, the church went without the service of a pastor for 2 years. During the time that construction was underway for the new house of worship the congregation met in the old Rice School house which was located on the property now owned by Mr. Carl Young [note – this is “Cal”, Jarrett Calvin Young (1877-1960)]. The new church was dedicated in 1895.

The first Sunday school was organized April 4, 1897. Bro J. R Jarboe, a former pastor, served as first Sunday School Superintendent.

The first B.Y.P.U. which has since been replaced by the Baptist Training Union, was organized in 1932.

On Sept. 11, 1937 plans for a new church were inaugurated. The old building was torn away and while construction was proceeding the congregation again met in the Rice School House. The new church, which forms the present auditorium, was built for \$2,300. It was dedicated April 30, 1939.

Most of the church history has been composed of fourth time preaching. From 1870 until 1941 except for a brief interval in 1943, the church had preaching services once monthly. In 1941 services began regularly 2 times monthly. This continued until May 17, 1947 when the church voted to have services each Sunday.

The Parsonage, which was formerly Rice School house, was purchased for \$250 in 1945. It was then remodeled into a 6-room dwelling to be used for the pastor's home.

In 1952, the church built a modern Sunday School plant on to the church auditorium. This addition was built and equipped for approximately \$8,000.

The first couple ever to be married in the church was Mr. & Mrs. Don R. Rush on April 4, 1878.

Pastor's salaries have ranged from \$50 per year in 1887 to \$2,500.

The church has always been affiliated with the Blackford Association of Missionary Baptist.
