Martin Young was born during 1750-1760 in North Carolina. In the 1880 census of Hancock County, KY his son, Martin, Jr., reported that his parents were born in North Carolina. Martin, Sr. was the son of John & Ann Jung. His father, John George Jung, a native of Germany, arrived in America on the ship Neptune. The ship had sailed from the port city of Rotterdam with people from the Rhineland area of Germany. The ship landed in Philadelphia, PA on 5 October 1752. It is believed that John is the same “Johann Georg Jung” who is listed in the book, New World Immigrants: A consolidation of Ship Passenger Lists and Associated Data from Periodical Literature (Volume II, Michael Tepper, editor, Baltimore, MD, Genealogical Publishing Co., Inc., 1979, p42); in a list of Pennsylvania Dutch Pioneers compiled by Dr. Friedrich Krebs from the collections of the State Archives at Goblentz. According to this source Johann George was the son of Hermann Jung of Elschbach and his wife, Anna Margaretha; and he was living in the New Land by 1754. Also on the ship Neptune, was Michael Goodnight, who was later associated and interrelated to John Jung’s family in North Carolina and Kentucky.

John Jung purchased land in 1764 in Mecklenburg County, NC (which in 1792 became part of Cabarrus County, NC). A great deal of information on the Young (Jung) family in North Carolina is outlined in the book, Descendants of Jacob Young of Shelby County, Kentucky, including President Harry S. Truman, by Elsie Spry Davis (1923-2013) of Coronado, CA (1980, pp1-15).

Martin, Jacob, John & Michael Young on 2 August 1791 sold 100 acres on Three Mile Branch in Mecklenburg County, NC to Andrew Young. The five Youngs named in the deed were sons of John Young, who had purchased the same land on 7 August 1787. In Mecklenburg County in January 1790 John Young's widow, Ann, was appointed administratrix of his estate.

Seven children of John & Ann Young (Jung) are documented. They are – Martin, Andrew, Jacob, John, Michael, Mary and Elizabeth.

1. **Martin Young**, son of John & Ann, born 1750-1760. Family record follows on page 11.
2. **Andrew Young**, son of John & Ann, born c1759 Mecklenburg County, NC. About 1789 he married Julianna Bowers. Andrew and his wife, Julianna, on 8 September 1795 sold their land on Three Mile Branch in Cabarrus County, NC to James Scott (Cabarrus County, NC deed book 5 p235). During 1795-1796 they moved to Washington County, KY. He had served in the American Revolution. In Washington County, KY on 26 August 1833 he applied for a pension for his service. The following abstract of his application was published in the book, Pioneer History of Washington County, KY (by Orval W. Bayley, Utica, KY, McDowell Publications, 1980, p294):

Yong or Young, Andrew S. #30,812 N. C. - Washington Co., KY 8-26-1833, age 73, states that he enlisted March 1781 as a private in a troop of Horse, commanded by Capt. Peter Burns in the county of Mecklenberg N.C. thence he marched to the south in Gen. Sumpters Brigade, Col. Hampton's regiment and Major Rutherford's Battalion. He was age 18 when he enlisted and he was in several battles including Eutaw Springs, S.C. He moved from the state of N.C. to Ky. in the year of 1798 where he has ever since been. Affidavit that John Condar, clergyman and Thomas Graves and John Paducks certify that they are acquainted with said Andrew Young.

Recorded in Washington County order book D, p280 Andrew Young testified to the truth of the statements he had made in his application and swore to the statement that he was soldier of the Revolution and served as he had stated on his declaration to the war department. He is listed in the 1810, 1820, 1830 & 1840 censuses of Washington County, KY (the latter census lists him as being a Revolutionary War pensioner). He lived along the Long Run Creek (and road) in the eastern part of the county near the Mercer County line. A great-grandson, Marcus D. Lafayette Cocanougher (1855-1932) wrote in his journal (p28):

“The next house as you go up Long or Louse Run Andrew Young's Ma's grandfather, he settled there in Dec. 1801, he bought 240 acres from James Wood and Kingkaid of Garrard Co., Ky, for which he gave 50 lbs or 85 c per acres. Andrew is now 52 year old he died in 1848 July. Ann his wife died in 46, she was a Miss Bowers, they came from Rowan County, N.C. in 1793. This house stood in John Cocanoughers field south of the graveyard on a point below the widow Lizzie Best.”

The land purchase Mr. Cocanougher alluded to was recorded on 17 December 1801 in Washington County, KY deed book B, p508. Andrew Young died in Washington County, KY in 1848; his wife, Julianna had died in 1846. In Washington County will book H, pp268-270 are recorded an inventory - appraisal of his estate (recorded 15 May 1848) and a sale bill of the estate of Andrew Young, deceased (recorded 26 May 1848). In the basement of the Washington County Courthouse are file cabinets that contain the papers of the original Circuit Court suits of the county. In these is found a packet of the suit of the "Heirs of Andrew Young versus Margaret Stumpf", filed on 6 November 1849. The children and several grandchildren of Andrew Young are named in the suit; the heirs were seeking a sale of Andrew's 240 acres and division of its proceeds. It is stated that the plaintiffs were heirs of Andrew Young who had departed this life in April 1847. Andrew Young (Jr.) was appointed administrator of his father's estate on 7 May 1847. It is not clear if the death year was 1847 or 1848. Generally an inventory or sale bill follow a death within a few weeks not a whole year. Andrew's death probably was in 1848. Marcus D. L. Cocanougher in his journal gives the year as 1848. The majority of family trees on Ancestry.com give a death date of 15 May 1848, the date of the appraisal of his estate – his death was most certainly prior to this date. Andrew and his wife were buried in the Andrew Young Cemetery. The cemetery is located on the farm of W. B. Carpenter along a lane off the west side of the Long Run Road about two miles north of Highway 150. Andrew's name was carved into the sandstone marker but no dates are legible. Mr. Carpenter when I visited the site on 19 August 1986 had taken the stone from the gravesite and placed it in his nearby barn a short distance from the cemetery.

In his Revolutionary War pension application filed in Shelby County, KY in 1832 he stated he was born in Mecklenburg County, NC and is about 68 years old. He served in Captain Burns' company with his older brother, Andrew Young. By 1790 he had removed to Kentucky. In Mercer County, KY he married Rachel Goodnight (c1771-1828) on 16 December 1792. She was the daughter of Hans Michael Goodnight & Mary Landis. Michael had arrived in America in 1752 on the same ship as Jacob's father. Michael was killed by the Indians in 1781 near Harrodsburg (KY) [See article "Michael Goodnight Killed By Indians Near Harrodsburg", by Jerry Long, Internet - <https://wckyhistory-genealogy.org/families/>]. About 1797 Jacob Young moved to Shelby County, KY, where he is enumerated in the 1810, 1820 & 1830 censuses. His wife, Rachel, died in 1828 and he married Catherine Bryant, 13 September 1830 Oldham County, KY. Jacob moved during 1830-1836 to

Jackson County, Indiana, where he died on 24 August 1836. He was buried in the Waskom Cemetery.

Michael Goodnight Young (1800-1877) and Solomon Young (1815-1892)
Sons of Jacob Young & Rachel Goodnight

Solomon Young (1815-1892), son of Jacob & Rachel, in 1842 sold his land in Shelby County, KY and moved to Jackson County, MO; his daughter, Martha Ellen Young Truman (1852-1947), was the mother of Harry S. Truman (1884-1972), the 33rd president of the United States.

President Harry S. Truman (1884-1972)

4. **Michael Young**, son of John & Ann, born 1760-1765. In numerous family trees on the Internet he is totally confused with a Michael Young (1755-1833), who was born in North Carolina and who lived and died in Pulaski County, KY. Their two families are mistakenly mixed together. This other Michael was about ten years older and he recorded an application for a Revolutionary War pension in Pulaski County, KY in 1830. This other Michael may be related since he was of Germanic origin and also used many of the same family names. The two Michael's are totally different and were residing in different places at the same time. In his pension application in 1830 this other Michael testified he had resided with his son, Solomon Young for the "last ten or eleven years"; his son was a resident of Pulaski County, KY. The other Michael Young was a continuous resident of Pulaski County, KY from about 1812 until his death in 1833. Michael, son of John & Ann Jung, is listed in the 1800 census of Cabarrus County, NC and during 1806-1807 he moved to Washington County, KY, where his brothers, Michael & Andrew, were then residing. Michael appears continuously in the 1807-1830 tax lists and in the 1810 census of Washington County, KY. In 1829-1830 Michael left Washington County, KY and moved to Ralls County, MO, where he is listed in the 1830 federal census and where his sons, Michael, Jr. & Jacob were living and where he has numerous descendants. In the "Marcus De Lafayette Cocanougher's Journal, Washington County" it was noted that "This house was occupied back in the 1820s by Mike Young, who moved to Ralls County, Mo. in 1829." ... "Some 200 yards below this house was a cabin back in the 1820s the widow Nolin [sic – should be Moreland] lived. This house afterwards was used as a school. She married Mike Young when they with others all went to Ralls County, Mo., in 1829." (see Kentucky Ancestors, Kentucky Historical Society, Frankfort, KY, Vol. 37, No. 1, Autumn 2001, p8). Michael Young appears to have married during 1790-1798. His wife may have been a Miss Stumpf. A Michael Young married a widow, Mrs. Catherine (House) Friesland on 30 May 1805 in Cabarrus County, NC; Catherine Young was a resident of Cabarrus County, NC when her will was recorded in 1815; she left her estate to two daughters, Easter & Sarah Friesland and her will made no reference to a husband. The will suggests this marriage may not be for the Michael who was then a resident of Washington County, KY; unless they had parted when he moved to Kentucky several years previously. Michael married Mrs. Ruth Moreland, widow of Phillip Moreland, on 22 September 1823 in Washington County, KY; she had a son, George Moreland (c1808-1882, who married Ann Lewis in Ralls County, MO in 1835. Michael was the father of:

- **Elizabeth** (c1794 - c1866); married Fauntleroy Dye, 13 February 1815 Washington County, KY, consent on her marriage by father Michael Young; children – **Mary, Ramey, Jacob, Sarah Barthenia, Mildred, Bachen, James, Lucinda, Fauntleroy & Rachel.**
- **Jacob R.** (c1797 - c1854); married Elizabeth Stumpf, 24 May 1820 Washington County, KY; Jacob was buried Old Young Cemetery, Adair County, MO; children – **Mary, George Washington, Fauntleroy, Michael, Jane, John, Harvey, America, Nancy, Jane, Francis Marion & Sarah Ann.**
- **Michael, Jr.** (31 September 1802 – 30 September 1877); married Lucinda Elizabeth Goodnight, 3 October 1829 Mercer County, KY, she was a great-niece

of Rachel Goodnight, wife of the Revolutionary War soldier, Jacob Young; Michael Jr. was buried Young Cemetery, Monroe County, MO; children – **Edward, Nancy Ann, Henry, John Goodnight, Sarah Ellen, Michael Lewis, Zachariah & Margaret Jane.**

- **Polly** (c1805-); married John Hilton, 13 June 1825 Washington County, KY, consent on her marriage by father Michael Young.
 - **Henry** (1810 – 12 October 1861), married Sarah Lewis, 17 March 1835 Ralls County, MO; Henry was buried Monroe County, MO; children – **Adam, John Wesley, Rhoda Jane, Mary Ellen, Nancy A. & Lucinda Elizabeth.**
5. **John Young**, born in 1766 and died 1 February 1799 Cabarrus County, NC. In 1790 he was one of the purchasers at his father's estate sale and in 1791 he and his brothers sold land that had been acquired by their father. Elsie Spry Davis in her book wrote that Reverend Adam Nicholas Marcard, a Lutheran minister at St. John's Lutheran Church, sometimes substituted at the German Reformed Church on Coldwater Creek just outside Concord, where the Young family resided. Among Rev. Marcard church records is the obituary of John Young (Jr.): "Buried at Coldwater (gratis) February 14, 1799 John Jung (who) died on February 1, 1799 in the evening of pleurisy. He was born in 1766, and led an unhappy marriage with the widow of Christian Berberich who perished on the way to Charleston. The widow Elizabeth nee Diderich. From the marriage of eight years there is one child who is a girl." In April 1801, Adam Bowers, Jr. (the child's uncle) was appointed guardian for Elizabeth Young, "orphan child of John Young, deceased," and he held in trust for her L31.5.0. In the 1800 census of Cabarrus County, NC was the widow of John, Elizabeth Young, with her daughter. John & Elizabeth's daughter was:
- **Elizabeth** (c1791 - after 1860); married Michael Beaver (1784-1860) of Rowan County, NC. In 1808 Elizabeth Young and her son-in-law, Michael Beaver, of Rowan County, NC sold land formerly owned by John Young (Cabarrus County, NC deed book 7 p216)

Church at Cold Water Lutheran Church Cemetery, Cold Water, Cabarrus County, NC

6. **Elizabeth Young**, daughter of John & Ann, born 1773-1780 NC and died after 1810 NC. She married Adam Bowers, Jr. in Cabarrus County, NC on 11 December 1793. Adam was born c1773 and is listed in the 1800 & 1810 censuses of Cabarrus County, NC. Adam & Elizabeth were parents of:
- **John Bowers** (c1795 - c1845); married Margaret Lipe, 21 March 1821 Cabarrus County, NC; children – **Catherine C., Moses, Wiley, Daniel, John, Betsy, Giles & Margaret.**
 - **Judith Bowers** (c1803 - 1868,) married Martin Harkey, 23 July 1823 Cabarrus County, NC; children – **Catherine Adeline, Mary Ann, Solomon, William, Laura Ann, Emaline, Henry H., Martin Alexander & Martha Jane.**
7. **Mary Young**, daughter of John & Ann, born c1779 NC and died 1803-1810 NC. She married Peter Conder, 15 January 1799 Cabarrus County, NC. Her husband was Peter Conder, who was born c1765-1770 NC. Numerous family trees have this Peter misidentified. Peter's father was George Conder, who is listed in the 1790 census of Mecklenburg County, NC. George about 1795 moved to Washington County, KY, where Peter was named in his father's will in 1799. Peter was a brother of Margaret Conder, wife of Martin Young. Peter remained in North Carolina for a few years after his father went to Kentucky. Peter's wife, Mary, appears to have died during 1803-1810. Peter Conder remarried on 13 August 1810 in Cabarrus County, NC. Peter married Elizabeth Goodnight. Elizabeth was born 6 February 1773 and was the daughter of Christian Goodnight & Catherine Cook. Christian is listed in the 1790 census of Mecklenburg County, NC and 1800 census of Cabarrus County, NC; he was the son of Michael Goodnight and was a half-brother of Rachel Goodnight, who married Jacob Young. In the 1810 census of Cabarrus County, NC Peter Conder is listed immediately preceding his bother-in-law, Adam Bowers, Jr., who was married to Elizabeth Young. In Peter's household were listed four individuals, two adults and two children, who were under the age of ten, a male and female. The two children were probably born to his first wife, Mary Young. The two children were not identified for this report. During 1810-1814 Peter moved to Tennessee. Peter appears in the 1820 census of Hickman County, TN, 1830 census of Montgomery County, IL, 1840 & 1850 censuses of Williamson County, IL. In 1850 Peter Conder was living in the home of a daughter, Mary Elizabeth (Conder) Tippy (1814-1886).

.....

Martin Young, son of John & Ann, was born between 1750-1760 and died 1843-1845. He is never shown with a middle name or a middle initial. The 1810 census records that he was age 45 or older indicating he was born by 1765. The 1830 and 1840 censuses reported him as being between 70-80 and between 80-90 suggesting he was born during 1750-1760. One Martin Young was a veteran of the North Carolina line during the Revolutionary War (Colonial and State Records of North Carolina). "By virtue of the Authority vested in us, by an Act of the General Assembly, passed at Newbern, January 1792, We Hereby Certify, That the state of North Carolina, is indebted to Martin Young late a Soldier in the Continental Line of said state, the sum of twenty nine pounds eleven shillings and five pence specie, with interest from first day of August 1783, granted at Warrenton, in 1786. And "The Army Accounts of the No. Carolina

Line” (p262) lists a Martin Young, #3254, who received 39 pounds, 8 shillings, 6 pence, as recorded in the original books and documents of the Commissioners of No. Carolina at Warrenton dated Philadelphia, 25 February 1793. It is not clear if he is the Martin of Mecklenburg and Cabarrus Counties, NC. In the 1790 census of North Carolina there is only one Martin Young listed and that is the Martin of Mecklenburg County. I have found no other Martin in the records of North Carolina during the Revolutionary War period. If Martin did serve in the Revolution why did he not apply for a Revolutionary War pension, as his brothers, Andrew & Jacob had done? Martin was still living in 1840 and by an act of 1832 all soldiers who could validate their service in the Revolution were eligible for a pension.

Martin Young married Margaret Conder about 1785-1788. They were married when “Margaret Young” was named as a daughter in the will of her father, George Conder, on 5 July 1790. Martin and his-father-in-law, George Conder, are listed in the 1790 census of Mecklenburg County, NC. This census shows that 5 individuals were in Martin’s home – 3 females, one male age 16 or over and one male under 16. The one minor male is probably his son, John, and the females are his wife, Margaret, and possibly his two unmarried sisters, Elizabeth & Mary.

In February 1790 Martin Young was one of the purchasers at his father’s estate sale. One of the items he purchased was a Dutch bible. On 2 August 1791 he and his brothers sold land that had been acquired by their father; recorded in July 1795 Cabarrus County, NC deed book 1 pp213-214. Martin and his wife, Margaret on 8 September 1795 sold 98 acres on Three Mile Branch in Cabarrus County, NC to James Scott (Cabarrus County, NC deed book 5 p236). A warrant for the same 98 acres was issued to Martin Young on 22 May 1780 (letter from Elsie Spry Davis to Alice Tindle, dated 26 October 1982).

Martin Young during 1795-1796 left Cabarrus County, NC and moved to Kentucky. He settled in the Long Run community of Washington County, KY near the Mercer County line (now Boyle County line). Living a short distance west of Perryville in Mercer County his brother, Jacob Young, was residing. Jacob Young had made the journey to Kentucky during 1790-1792. Martin probably came to Kentucky with his brother, Andrew, and his father-in-law, George Conder. All three appear for the first time in the tax records of Washington County in 1796. Andrew sold land in Cabarrus County, NC at the same time as Martin. George Conder sold 188 $\frac{3}{4}$ acres in Cabarrus County, NC on 7 September 1795 one day before Martin transferred his land. Martin Young is listed in the 1796-1808 tax lists of Washington County, KY and in the 1810 federal census of Washington County, KY. During 1805-1808 Michael Young, left Cabarrus County, NC and joined his brothers, Martin & Andrew, in the Long Run community of Washington County, KY.

Margaret Young’s father, George Conder, was born 19 September 1739 in Pennsylvania. His father, Johannes Matthais Konder, was born 6 July 1706 Schweich, Rhineland-Pfaltz, Germany, arrived in America on the ship Virtuos Grace in 1737 and died about 1780 in Mecklenburg County, NC. George Conder wrote his will on 5 July 1790 while he was a resident of Mecklenburg County, NC. After removing to Kentucky his will was recorded in Washington County, KY of 3 September 1799. His will appeared as follows:

In the name of God amen. I George Conder of the state of North Carolina and County of Mecklenburg, being weak of body, but of perfect mind and memory thanks be

given unto god, calling unto mind the mortality of body and knowing that is appointed for all men once to die, do make and ordain this my last will and testament, that is to say principally and first of all I give and recommend my soul unto thy hands of Almighty God, that gave it and my body. I recommend to Earth to be buried in a decent manner at the discretion of my Executors nothing doubting but at the general resurrection I shall receive the same again by the Almighty power of God and as toward such worldly Estate where with it has pleased God to bless me with in this life in the first place I desire that all my lawfull debts be paid and the rest to be deposed of in the following manner and form, and the rest of my real and personal estate I leave in the hands of my beloved wife and children during her life and at her death then to be sold and equally divided amongst all my children excepting George and Margaret Young untill all my children but said George Conder & Margaret Young and if anything remains after that then it is to be equally divided amongst all my children the above George and Margaret getting an equal share of the same but in case that my beloved wife Barbara Conder should marry, then it is my will and pleasure that my real and personal estate be disposed of as above written and I do hereby appoint and ordain my beloved wife Barbara Conder and my beloved sons Peter Conder and John Conder to be my whole and sole executors to this my last will testament and I do hereby utterly disallow revoke and disanul all and every other former testament or will by me made or uttered and I do hereby ratify and confirm this and no other to be my last will and testament. In witness whereof I have hereunto set my hand and seal this fifth day of July in the year of our Lord one thousand seven hundred and ninty, and the fourteenth year of our Independence. George (his X Mark) Conder witt. Benj. Patton, Wm. White, Philip Wiser, Isaac Konkright. Recorded in Washington County, KY on 3 September 1799.

On 18 August 1986 this writer went to Washington County, KY to research my Young family relatives. At the Washington County Public Library I discovered a copy of the Marcus D. Lafayette Cocanougher Journal. Mr. Cocanougher (1855-1932), lived and died in Washington County. During the early 1900's he recorded about 50 pages in a journal. He recorded notes on his relatives and other families of the Long Run community; some of the references went back to the early 1800's (see Cocanougher family sketch in the book, History of Kentucky and Kentuckians, Vol. II, E. Polk Johnson, Chicago & New York, The Lewis Publishing Co., 1912, pp1083-1084 and article, "Marcus De Lafayette Cocanougher's Journal, Washington County", Kentucky Ancestors, Kentucky Historical Society, Frankfort, KY, Vol. 37, No. 1, Autumn 2001, pp5-15). Mr. Cocanougher was a son of William Cocanougher & Elizabeth Young, grandson of John Young & Ann Lawson and great-grandson of Andrew Young & Julianna Bowers. His journal contains a wealth of information on the descendants of the latter couple. It also contained a couple of references to his great-grandfather's brothers, Martin & Michael Young. The journal contained the following reference to my 4th great-grandparents, Martin & Margaret (Conder) Young (p31):

"Just opposite May's branch, Martin Young lived. Two lonely graves and two cedars mark the place. I believe he was a cousin of grandfather Young's, but in this I am not certain. Ma did not know. He married a Condor. She had crazy spells and was counted a witch in that day. Martin must have been an early settler. His son, John (or Wolf or Beech John) was a bear hunter. The bears disappeared from our community about 1800. John was a quick dead shot. He once killed a didapper duck as it came up out of the water. From what I can gather – and I have made close inquiries – he was the best shot among the early settlers. He was a hunter by birth. He hunted bears, panthers,

wolves, deer, turkeys and smaller animals. His father with his family, excepting John, moved to Hancock County about 1815. He (Martin) had a son George who was a Baptist preacher [ed. note – this was Rev. Martin Young, Jr. not George]. John married a Paddack, Uncle Jack Paddack's sister. John Young died at an advanced age, January 20, 1875. He lived and died on the north side of Prather's Creek near its mouth. Mr. Fountain Haydon bought his old farm.”

Martin Young in 1811 left Washington County and moved to Breckinridge County, KY; he settled in the western part of the county that eighteen years later would become Hancock County, KY. On 21 January 1811 he was still in Washington County when his daughter, Elizabeth, was married and by the mid-point of that year he was in Breckinridge County. Accompanying Martin to his new home was his wife and nine children. His oldest son, (Wolf) John Young, remained in Washington County and has descendants there today. Martin Young appears in the 1811-1828 tax lists of Breckinridge County, KY and in the 1820 federal census of Breckinridge County, KY. In Breckinridge County Minute Book 2 (1813-1818, p16) at a court on Tuesday, 22 June 1813 it was noted: “It appearing to the satisfaction of the court that Martin Young is a man who from age and misfortune is unable to pay county levy. It is ordered that the said Martin Young be hereafter exempt from paying county levy in this county.”

On 3 January 1829 Hancock County became the 83rd Kentucky county. It was carved out of parts of Breckinridge, Daviess and Ohio Counties. Martin's residence became part of the new county. Martin is listed in the 1829-1843 tax lists of Hancock County, KY and 1830 & 1840 federal census of Hancock County. In Hancock County order book 1(1829-1836, p68) Martin Young is listed as being insolvent. At a court of 27 November 1832 it was “ordered that Martin Young, Sr. be exonerated from the payment of his county levy (Hancock County order book 1 p.175); in several subsequent years Martin (Sr.) was also exonerated from paying the yearly county tax. Martin Young, Sr. last appears in the annual tax lists for Hancock County in 1843. His death probably occurred about this time; he was then over 80 years old. His wife, Margaret, appears to have also died between the 1840 and 1850 censuses of Hancock County. In the 1843 tax book there are two Martins – they are listed as Martin Young, Sr. and Martin Young, Jr. The latter is Rev. Martin M. Young (c1801-1882), who was then taxed on 170 acres on Blackford Creek. Martin Jr. had purchased this tract in 1839 and is readily differentiated in the tax records. Martin Sr. never is listed as owning land in Hancock County. In the 1844 tax book only one Martin Young is listed, he was taxed on 170 acres. In the 1845 tax list (Rev.) Martin M. Young, owner of 170 acres, begins to be listed as “Sen.” This is probably due to the fact that his father was then deceased and “Sen. & Sr.” were added to his name to differentiate him from two (younger) nephews named Martin, who were then in the county – Martin (c1823-after 1860), son of Jacob Young & Charlotte Bruner (he first appears as “Martin Young Jun.” in the 1845 tax list) and Martin V. Young (1828-1862), son of Michael Young & Nancy Bruner (he first appears in the 1849 tax list).

No will, administrator or estate records for Martin Young, Sr. were found in the Hancock County records. This is probably due to his insolvent status. The 1840 census of Hancock County suggests that Martin Young (Sr.) resided in the area about seven miles south of Hawesville near where the Mt. Eden Baptist Church was later located. It is not known were Martin (Sr.) & Margaret were buried. Since he owned no land it seems likely that he was buried on the farm owned by his son, Rev. Martin Young, who at the time was the only one of his sons

that was a land owner. Rev. Martin owned land on the north side of the Truman Young Road and just east of the Hawesville & Hartford Road (now Highway 69), where the Young family cemetery is located. This cemetery was being utilized as a graveyard by 1859.

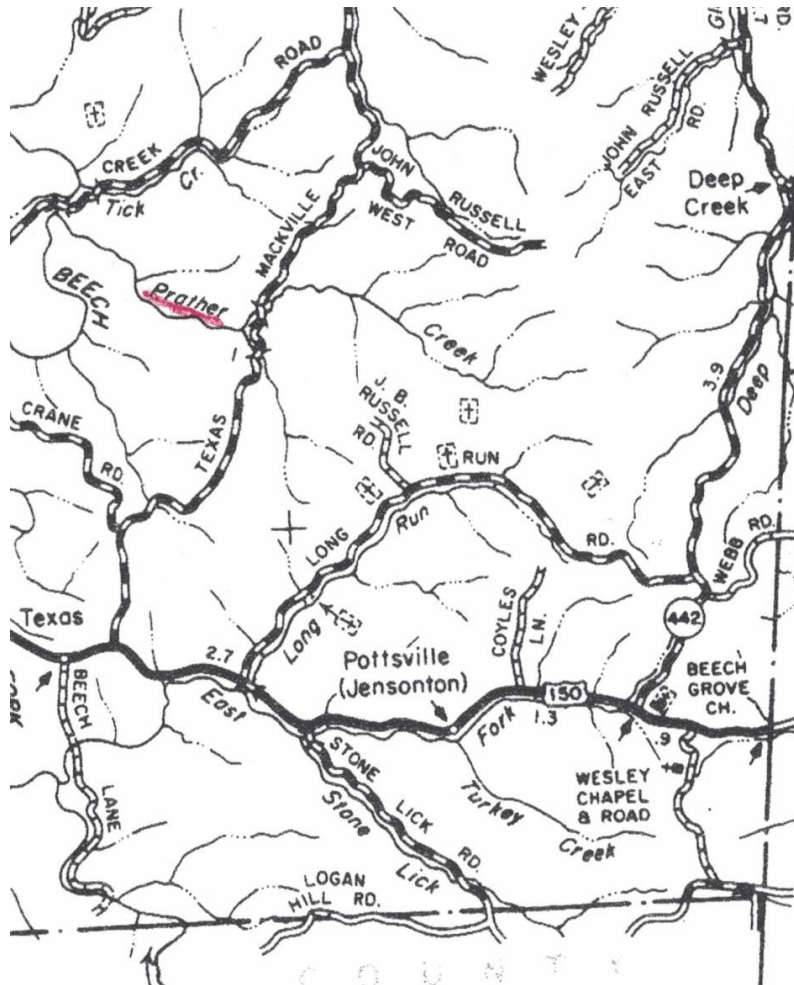

Martin Young & Margaret Conder had ten children that reached maturity. The 1810 census shows 9 children - 5 boys and 4 girls living in their home. Their oldest son, (Wolf) John Young, married in 1807 and is listed in his own home in the 1810 census. The 1810 census only lists males and females in age categories and the only name listed is the head of the household. The five male children in Martin's home in 1810 were probably – Jacob, George, Martin, Michael and Davis and the four female children were – Catherine, Elizabeth, Barbara and Nancy Susan. In the 1820 census besides Martin & his wife there were four younger male children in their home; they were possibly their sons – George, Martin, Michael & David. In the 1830 & 1840 censuses only Martin and his wife are in their home.

Mrs. Elsie Spry Davis in her the book, Descendants of Jacob Young of Shelby County, Kentucky, including President Harry S. Truman, included a chart on the family of Martin Young & Margaret Conder (p156) that listed Sinclair (St.Clair) Young as a possible child. And now on Ancestry.com regrettably there over 170 family trees that list Sinclair as a child of Martin Young & Margaret Conder. He was not a son!!!! His Young family was originally from England. Sinclair was born c1790 in Kentucky. He married Amelia Hammond in Nelson County, KY in 1821. He was a wealthy plantation owner and owned about 30 slaves. He resided along Blackford Creek during 1825-1836 in Hancock County, KY just across the Daviess County line; he had settled there when it was still part of Breckinridge County. In 1836 he sold his farm of 1,166 acres and moved to Indiana. He was the son of John Young & Elizabeth Singleton. In the will of John Young, recorded in Nelson County, KY on 9 February 1835, St.Clair Young is named as a son. St. Clair is listed in the 1830 census of Hancock County, KY and 1840 & 1850 censuses of Harrison County, IN. He died in 1850 in Harrison County, IN. St. Clair's sister, Elizabeth Young, was the wife of Thomas Dudley Brown and they are the parents of the 31st Governor of Kentucky, John Young Brown (1835-1904).

Children of Martin Young & Margaret Conder were:

John Young, son of Martin Young, Sr. & Margaret Conder, was born 6 February 1785-1787 North Carolina. He was known as “Wolf John Young” probably due to his notoriety as a hunter alluded to in the journal of Marcus D. Lafayette Cocanougher (Kentucky Ancestors, Kentucky Historical Society, Frankfort, KY, Vol. 37, No. 1, Autumn 2001, p10). John married Margaret Paddock in Washington County, KY on 13 August 1807. The daughter of William Paddock & Elizabeth Windows, she was born c1792 KY and died during 1870-1875. John first appears in the annual tax lists of Washington County in 1808. Males who had reached the age of 21 were eligible to pay the county tax levy and after reaching that age are enumerated in the county's tax records. By the fact he is reported to be 21 in 1808 it is suggested that his birth year was 1787 or earlier. Beginning in 1814 he is listed as John Sr. in the tax books to distinguish him from his first cousin, John Young (1791-1864, son of Andrew). (Wolf) John is shown as first owning land in the 1819 Washington County tax list, when he was taxed on 50 acres on Prather's Creek; in other years this land was reported to be on the Beechfork Creek of which Prather's Creek is a tributary. Marcus D. L. Cocanougher in his journal said that Wolf John “lived and

died on the north side of Prather's Creek near its mouth." By 1835 his land holdings had increased to 175 acres on Prather's Creek. John is listed in the 1810, 1830, 1840, 1850 (age 68), 1860 (age 82) and 1870 (age 95) censuses of Washington County, KY. The Cocanougher Journal noted that Wolf John Young died at an advanced age on January 20, 1875.

Wolf John Young (c1785-1875) resided on north side of Prather Creek (marked in red) in the southeastern part of Washington County, KY

The following listing of the children of (Wolf) John Young & Margaret Paddock is highly speculative. No document could be found that listed their heirs. This listing is based solely on proximity and repeated interrelationships.

1. **Martin Young**, son of John Young & Margaret Paddock, was born c1808 Washington County, KY. He is listed in the 1840, 1850, 1860, 1870 & 1880 censuses of Washington, KY. Johnston & Emily Savage, was born 1808 New Jersey, she married 1st Christian Hager, 24 June 1823 Mercer County, KY (they had – Mary Elizabeth Hager) and 2nd Alexander Trowbridge, 16 October 1828 Casey County, KY (they had – Margaret Ann, Nancy J. & Frances Trowbridge). Hambleton Tapp (1900-1992) was a noted author and historian. He was the son of Thomas Dudley Tapp & Ada Florence Colvin, grandson of Algernon Buford Tapp & Martha Emily Young, great-grandson of Martin Young & Eliza Johnston, and great-great-grandson of (Wolf) John Young & Margaret Paddock:

The Register, Vol. 91, No. 1, Winter 1993, Kentucky Historical Society, Frankfort, KY, pp63-64:

Hambleton Tapp (1900-1992)

Hambleton Tapp joined the Kentucky Historical Society staff as assistant director and editor of *The Register* in July 1971, when he retired from the University of Kentucky. As state historian under Governors Julian Carroll, John Y. Brown, Jr., and Martha Layne Collins, he coauthored (with James C. Klotter) *Kentucky: Decades of Discord, 1865-1900*, collaborated with George M. Chinn on *Kentucky: Settlement and Statehood, 1750-1800*, and wrote numerous articles and reviews for various journals and newspapers.

A dedicated gentleman and scholar, Dr. Tapp could always be found at his desk working in coat and tie, even on sweltering days when the air conditioner was under repair. Occasionally, winter days found the furnace out of order. Dr. Tapp would still be at his station, wearing overcoat and gloves. Always faithful to his tasks, he still managed at least one walk a day. He avoided the elevator, preferring a brisk pace from his third-floor office to the first floor, and then back again. Colleagues agreed that Dr. Tapp would be the most likely candidate on staff to make a physical fitness video!

The Springfield, Kentucky, native graduated from Centre College, received an M.A. from Peabody College, and a Ph.D. in history from the University of Kentucky. He was a teacher at Louisville Male High School, superintendent of schools at Eminence, and director of health and physical education in the Kentucky Department of Education. He joined the University of Kentucky faculty in 1948. During his time at UK, he founded and directed the Kentucky Life Museum, now known as Waveland State Shrine.

This heritage-minded citizen chaired the Daniel Boone National Forest Association, the George Rogers Clark Memorial Foundation, the Kentucky Heritage Commission, and the Kentucky Civil War Centennial Commission.

He was a founder of the Kentucky Civil War Round Table and served as its secretary until 1984, the year he retired from the Kentucky Historical Society. He was also a devoted Presbyterian and Rotarian.

Honors included an Award of Merit by the American Association for State and Local History (1979), a Distinguished Alumni Award from Centre College Alumni Association (1981), and a certificate from Governor Collins naming him a Distinguished Kentuckian (1984). In 1985, the KHS initiated a new award in Dr. Tapp's name to ensure that his influence will continue. The \$1,000 prize is presented each year to a teacher whose proposed classroom project best involves students in the study of Kentucky history.

Hambleton Tapp died on October 14, 1992. Historian, teacher, administrator, and gentleman—he will be missed.

2. **Andrew Young**, son of John Young & Margaret Paddock, was born c1810 KY and died after 1853. He married Jane Lawson, 6 February 1832 Mercer County, KY. Jane, daughter of Joshua Lawson & Elizabeth Richardson, was born c1817 Washington County, KY. Andrew is listed in the 1840 census of Washington County, KY and 1850 census of Trimble County, KY. Marcus D. L. Cocanougher in his journal (p15) “Jane Lawson married Andrew Young, son of Wolf John Young, and they moved to Trimble County, KY about 1843.” In the 1852-1861 death records for Trimble County, KY it is recorded that Jane Lawson Young died on 18 February 1853. Andrew & Jane were the parents of:
 - **Amanda** (c1835-after 1860, married William H. Moore, 20 March 1851 Trimble County, KY.
 - **Jordan** (c1839-after 1850).
3. **Amy Young**, daughter of John Young & Margaret Paddock, was born c1816 KY. She is listed in the home of (Wolf) John & Margaret Young in the 1850, 1860 & 1870 censuses. In the 1870 census she was reported to be insane. In the 1850 census there are two persons named “Amy Young” listed within 12 households – Amy age 34 in the home of Wolf John & Margaret Young and Amy Young, age 40, is listed as a head of a household and with her were two children – **John** 6 & **Margaret** 4. The two children are grandchildren of Wolf John & Margaret. They appear to be children of their daughter, Amy. The two children in the 1860 census appear in the home John J. (c1833-1869, son of Wolf John) in the next household after the listing for Wolf John. The John, born c1844 is in the home of Wolf John & Margaret in the 1870 census (reports him to be an idiot)

and John, age 35, is listed in the home of Martin Young (son of Wolf John) in the 1880 census (reported to be Martin's nephew, he was single & was an idiot).

4. **Lucretia Young**, daughter of John Young & Margaret Paddock, was born 1815-1820 KY, married Joseph Nix, 5 June 1839 Washington County, KY. Bond on her marriage was by John Young. Joseph was born c1817 KY. He and his brother, Jonathan, married daughters of Wolf John Young. They were sons of James Nix, who appears in the 1820 & 1830 censuses of Washington County, KY. James married Catherine Barnes in Washington County, KY on 23 October 1810. James Nix (Sr.) last appears in the Washington County tax lists in 1839. Joseph is listed in the 1838-1851 tax lists of Washington County, KY. The descendants of Martin Young, Sr. Margaret Conder are inter-related to this Nix family numerous ways. Lucretia Nix died between 1847-1860. Lucretia & Joseph Nix were the parents of – William, George W., Franklin Martin and Thomas.
 - **William Nix** enlisted in the Union Army (Co. E, 10th KY Infantry, on 3 October 1861, his brother George W., enrolled in the same outfit on the same day, William died on 5 August 1864 at Chattanooga, TN and was buried in the Hall Cemetery in Washington County, KY, he has a government veteran's monument, several other members of the family of Wolf John Young are also buried in the same cemetery and Wolf John may be buried in this cemetery in an unmarked grave. George W. Nix the administrator of his brother, William's estate, made a settlement of the estate on 24 August 1868, William left three heirs including, George W., who was guardian of his younger brothers, Franklin & Thomas (Washington County, KY Will Book N, pp537-538).
 - **George W. Nix** was born c1844 Washington County, KY, married his first cousin Martha Emily Young, daughter of Martin Young & Eliza Johnston; George W. died 15 November 1873 and was buried Hall Cemetery, Washington County, KY. George W. & Martha were the parents of – **Mary Lucretia & William C.**
 - **Franklin Martin Nix** was born 10 July 1845 Washington County, KY, he served in the Union Army during the Civil War; married Mary Ellen Collins, 3 November 1875 Breckinridge County, KY; he died 18 April 1926 Breckinridge County, KY, where he was buried Mt. Zion Methodist Church Cemetery; he & Mary had 16 children, they included – **John Richard, George Fred, Jessie Allen, Lewis Taylor, Alvin Murray, Oscar M., Mary L., Martha E., Milton B., Miller E., Orvil & Robert.** John Thomas Nix (1890-c1981), grandson of John Nix & Elizabeth Young, in a 1979 wrote that "the Nix's who lived in Breckinridge Co. was some distant relatives of ours."
 - **Thomas Nix**, born c1848, his marriage license states he was born in Washington County, KY; he is listed in the home of his uncle, John J. Young (son of Wolf John) in the 1860 Washington County, KY census and he was living in Henderson County, KY at the time of the 1870 & 1880 censuses; he married Margaret Jane (Gobin) Johnston, 23 February 1870 Owensboro, Daviess County they were divorced 1872-1876, they were parents of – **Martha E. & Mary Alice.**

5. **Elizabeth Young**, ‘Betsy’, daughter of John Young & Margaret Paddock, was born c1820 Washington County, KY. She married a Taylor, c1833, John Nix, c1838 and Edward Barbee, 1857. Some have speculated that Elizabeth was the daughter of Martin Young (Sr.) & Margaret Conder. Margaret Conder at the time of Elizabeth’s birth would have would have been age 50 or older. It is more logical that she is a granddaughter of this couple. I believe she is a daughter of (Wolf) John Young & Margaret Paddock. Prior to 1840 Elizabeth was a resident of Washington County, KY; records show that Elizabeth had two children born in Washington County in 1834 & 1839. Wolf John is the only child of Martin, Sr. that remained in Washington County. In addition to his wife in his household in the 1830 census of Washington County there are six females listed who were born during 1810-1830. These probably include his daughters, Amy, Lucretia, Martha, Nancy & Emaline. This leaves one other unidentified female born between 1815-1820 that could be his daughter. The 1850 & 1860 censuses list Elizabeth as 30 & 40. Elizabeth appears to have married first a Taylor; she had a daughter, Mary (‘Polly’) Taylor, who was born in April 1834. Mary Taylor married in Hancock County, KY on 25 May 1853 to Davis Young (son of Rev. Martin Young & Margaret). On her marriage record it was written that “John Nix stepfather of young lady gave consent in person” and in a listing of the marriage in the 1852-1861 Kentucky Vital Statistics it is recorded that Polly Taylor was born in Washington County, KY. The death certificate of John Nix, Jr. (1839-1917) lists his mother as Betsy Young and John Jr. is reported as being born in Washington County, KY on the marriage of his son in Thomas (Ohio County, KY marriage book 26, p4).

“Mrs. Elizabeth Young” married John T. Nix on 12 September 1844 in Hancock County, KY; on their marriage it was noted that “lady married before”. They were married by Rev. Martin Young, a minister of the Baptist Church. John Nix was born 1810-1813 Washington County, KY. He is the son of James Nix & Catherine Barnes, who were married in Washington County, KY on 23 October 1810 and who are listed in the 1820 & 1830 censuses of Washington, KY and 1840 census of Mercer County, KY. James Nix has four males in his home, all aged 0-10 in the 1820 census. John Nix first appears in the Washington County tax lists in 1834; he is listed as “John T. Nicks” and last appears there in 1840 list. Two other sons of James & Catherine married daughters of Wolf John Young. Children of James & Catherine Nix included: John T., Josiah T. (married Lucretia Young, 5 June 1839 Washington County, KY), James (married Jane Comstock, 13 July 1837 Washington County, KY), Jonathan (married Martha Young, 18 June 1839 Washington County, KY), Eleanor (married Elias J. Ford, 24 October 1825 Mercer County, KY), Debian Ann (married Jesse Cash, 7 December 1848 Stewart County, TN), Julia (married Elias J. Ford, 20 July 1848 Stewart County, TN) and Stephen (married Catherine Burnett Evans, 1854-1856).

John Nix is first listed in the tax lists of Hancock County, KY in 1841. In the 1850 census of Hancock County, KY their household was listed as: Nix, John (46, real estate \$750), Betsy (30), John (9), James (8), Alexander (7), Wilford W. (5), Elisah J. (2) & William H. (5 month), all born KY. The three oldest sons all were born prior to their parent’s marriage in 1844; the death certificate, however, of the oldest son, John, Jr. reports he was the son of Jack Nix & Betsy Young. John Nix last appears in the Hancock County

tax lists in 1854. In 1854 John Nix sold his land in Hancock County to John Mayhall. The following advertisement by John Nix appeared in the newspaper, Pick and Plow (Hawesville, KY, 22 October 1853):

Any one in want of a good little farm will make it to their interest to call and see the farm offered by John Nix, as a rare bargain will be given. See notice for particulars.

In 1853 Peter R. Young & Jesse Rice, Jr. testified that “John Nix is a dangerous man and ought not to run at large as he has made several threats to kill or murder several of his neighbors and is continuously breaking the peace of the neighborhood” (Hancock County Commonwealth cases, box 154, bundle 12, file 501). John Nix, a non resident of Kentucky, on 20 March 1854 filed a suit for a divorce from Elizabeth Nix, claiming that she had abandoned him. He testified that he married Mrs. Elizabeth Young on 12 September 1844. In reply by his wife she claimed cruelty & violence on his part was why she had left their home. Capt. William Hale gave testimony on 1 September 1855 that he lived about a mile from the couple, he said John Nix is “an industrious man, he was a chairmaker by trade & cultivated a small farm, about two years ago they separated, one lived in one house and the other in another house on the same farm about 200 yards apart, the plaintiff has left the county shortly after and has not been back.” Testimony of other neighbors in the suit (James W. Isom, Peter B. Young, Martin V. Young, Davis Young & Andrew L. Rice) indicates they had been acquainted with the couple since about the time of their marriage. On 6 March 1856 a divorce was granted.

John Thomas Nix (1890-c1981), of Cook Station, MO, son of John Nix (1839-1917) and grandson of John Nix & Elizabeth Young in a letter to Mrs. Idmon (Mary Ellen Nix) Anderson (1901-1989), of Bartow, FL, dated 29 September 1968 wrote that “My grandfather whose name was Jack Nix and grandmother whose maiden name was Betsy Young, had 7 children and separated. My father John Nix was the oldest and Grandpa taken the three next children in age which was boy’s and left and never was heard from any more.” John Nix reportedly left Hancock County with his sons, Alexander, Wilford W. and William H. Nix. They apparently went to Missouri. In the 1860 census of Chariton County, MO two of the boys are found – in the household of Jeremiah Wilson

(45, KY) & Virginia (29 VA) are Alexander Nix, 15, farm laborer, born KY) and William Nix (12, born KY). Apparently John Nix had died by 1860 or he had abandoned his sons. Alexander is listed in the 1870 & 1880 censuses of St. Francois County, MO. No further record of John Nix (Sr.) and his three sons could be found.

Elizabeth Young Nix married Edward Barbee, 5 March 1857 Hancock County, KY. They appear in the 1860 census of Breckinridge County, KY as: Barbee, Edward (51), Elizabeth (40), Philo (12) and Nix, Davis (6), all born KY. Edward, son of John & Mildred Barbee, was born c1810 Breckinridge County, KY; he also married Elizabeth Sample, 25 January 1842 Daviess County, KY and Esther T. (Hoheimer) Hendricks, 15 October 1867 Daviess County, KY. Elizabeth Young possibly had died between 1860-1867; she left no children by Edward Barbee. Edward Barbee died 14 January 1870 Breckinridge County, KY.

Hancock County's Oldest Man Dies

David Nix, of Dukes, in Hancock county, the oldest citizen of the county passed away February 5 at his home, at the age of 101 years.

Mr. Nix had long been a resident of this county and through his long and useful life has marked the changes of time and progress. Born on Christmas day of 1845 fifteen years before the beginning of the Civil War, he witnessed the marked changes that have been characteristic of America.

Living as he did through more than a century of American history he experienced four major wars in which the United States has engaged. He has witnessed the progress of the United States from a weak and unstable country, struggling to establish itself as a great nation, to the present time in which it has reached that status and today, at the time of his passing this Nation stands at the head of all the countries of the world in strength and development.

One is led to wonder why one individual among so many is privileged to live as long as did Mr. Nix. We are sure no exact science can enumerate the cause of such longevity, but there must be a reason and we are sure Mr. Nix in his life had something that most of us do not possess; some physical strength beyond the average or some system of living that gave him the added years of survival.

Mr. Nix was ill but a short time before his death.

He is survived by two daughters Mrs. Ivory Corley and Mrs. Wm. Nichols, both of Dukes; four grandchildren, and several great grandchildren.

Funeral services were conducted from the Dukes Presbyterian Church, February 8th at 11:00 a. m., conducted by Rev. Arthur Carter, pastor of the Church. Interment was in the Jarboe Cemetery.

Hancock Clarion, Hawesville, KY, 20 July 1972, "Memory Lane"

THE MEMORY LANE PICTURE THIS WEEK has an interesting story to accompany it. Mrs. Ken Watkins submitted the picture with the following explanation: "Give me 'A' on this one. Several weeks ago, the Clarion ran a picture of the Patesville School (about 1938). This picture is a follow-up on the visitors that day. We couldn't leave the "grown-ups" out; but when I started to name them, I could only name a few. I passed the picture around to several people with little success. Finally, I sent it to Mr. Myrvin Compton, and with the help of Mrs. Ruth Harris they identified most of them. Thanks to Mrs. Nannie Snyder, Patesville, for lending me the picture." PATESVILLE SCHOOL

George, son of Samuel Paddock & Frances Jones, was born 24 December 1834 Washington County, KY; his father was a brother of Eliza Jane's mother. George W., a Union soldier during the Civil War, died during 1864-1870. In the 1870 Washington County census she is listed in the home of her brother, John J. Young's widow, Margaret Elizabeth (Ash) Young. George & Eliza's three children in the 1870 Washington County census were listed in the home of their aunt, Keziah Young Wilson; they were mistakenly listed under the Wilson name. George W. & Eliza were parents of:
- **Margaret Frances Paddock** was born 22 July 1861 Washington County, KY; married Eli Mobley, 31 July 1878 Washington County, KY; she died 6 March 1940 Washington County, KY, where she was buried Peter Cemetery.

Jephtha Wilson, 15, is listed in the home of Jacob & Winney Holderman in the 1860 census of Washington County, KY. Jephtha was a Union soldier during the Civil War. In the 1870 Washington County, KY census she is listed as Kate and is in the household immediately preceding that of Wolf John & Margaret Young; the three Wilson children listed in her home were actually children of her sister, Eliza Jane Young, widow of George W. Paddock. His death certificate records that Jephtha, the son of John & Julia Wilson, was born 1 September 1844 Anderson County, KY and died 22 November 1915 Washington County, KY and was buried there in the Bethlehem Baptist Church Cemetery. In the 1900 census of Washington County he is listed as Jipsey Wilson and his wife as Catheran, they were married 35 years which suggests this is Keziah / Kate Young; they were listed after the family of William Martin Young, a nephew of Kesiah. The 1900 census recorded that one child had been born to Catheran and the child was then living. Keziah appears to have died between 1900-1909. Katherine Young Wilson died 2 February 1908 in Washington County, KY and was buried there in the Bethlehem Baptist Church Cemetery. In the Springfield Sun (Springfield, KY, Wednesday, 5 February 1908) it was reported that “Mrs. Jephtha Wilson died Sunday at her home in the county after a long illness. Services were conducted Monday by Rev. Walker of the Methodist Church. Interment was in Bethlehem Cemetery”. On her gravestone her name is inscribed as “Katherine Wilson”. Her husband, Jephtha Wilson married 2nd Malissa E. Young (c1878-after 1945), 19 October 1909 Washington County, KY; they are listed in the 1910 census of Washington County. Keziah Young & Malissa Young (1878-after 1945) were first cousins once removed - Malissa was the daughter of Davis Young & Mary Taylor of Hancock County, KY and granddaughter of Rev. He is listed in the 1850 & 1860 censuses of Washington County, KY; in 1860 he was listed in household immediately after his parents. He married Margaret Elizabeth Ash, 4 September 1860 Bullitt County, KY. The daughter of William N. Ash & Mary Friddle, she was born c1838 Bullitt County, KY. The 1870 census mortality schedule for Washington County records that John Young died in November 1869 of abscess of the brain; he was age 36 and was a farmer. His widow appears with their three children in the 1870 census of Washington County, KY; in their home was also living, John J.’s sister, Eliza Jane Young Paddock. His widow married Stith Thomas Stumph

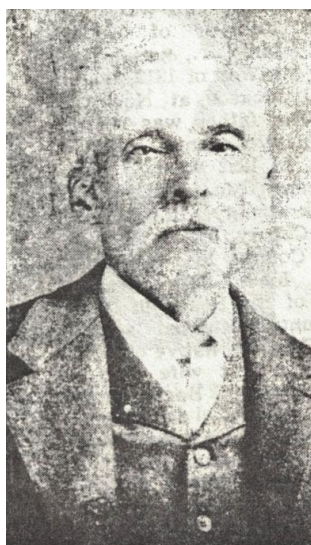

(1844-1921), 25 May 1870 Washington County, KY. Margaret Elizabeth died 15 February 1874 and was buried Hall Cemetery, Washington County, KY. John J. & Margaret Elizabeth Young were the parents of:

- **Mary E.** was born 8 June 1861 Washington County, KY; married Charles S. Gowin, 26 February 1884 Washington County, KY; she died 25 July 1920 and she was buried Valley Cemetery, Spencer County, KY. Children – **John William, Julia E. & Charles Wakefield.**
- **Mahala Frances** was born 8 December 1862 Washington County, KY; married Jeckanias Jicky Hall, 10 December 1878 Washington County, KY; she died 6 March 1945 Washington County, KY, where she was buried in the Hall Cemetery. Children – **Carter Thomas, Sarah Elizabeth, Charles William & Lucy.**
- **William Martin** was born 28 April 1865 Washington County, KY; married Victoria Sallee, 7 January 1891 Washington County, KY; he died 18 April 1921 Washington County, KY, where he was buried in the Mackville Cemetery. Children – **Josie Elizabeth, Lillian Myrtle, Willie E., Jimmie Lee & Archie Burnette.**

Catherine Young, daughter of Martin Young, Sr. & Margaret Conder, was born c1790 in North Carolina. She was reported to be age 70 in the 1860 census of Franklin County, IL. In Breckinridge County, KY she married Jacob Bruner, Jr. on 16 November 1814. Jacob was the son of Jacob Bruner, Sr. (listed in the 1810 & 1820 censuses of Breckinridge County, KY) & Catherine Peckinpaugh. Jacob, Jr. was born c1791 KY. In the 1820 census of Breckinridge County both Jr. and Sr. are listed as household heads. Jacob, Jr. appears in the 1812-1820 tax lists of Breckinridge County. Jacob, Jr. died in 1821 in Breckinridge County, KY. In the 1822 tax list his widow, Catherine, is listed (she was taxed on one horse). On Monday, 18 June 1821 Jacob Bruner, Sr. reported to court that Mrs. Catherine Bruner, widow of his deceased son, Jacob Bruner, was unwilling to administer his estate and wished him to do so (Breckinridge County minute book 3, 1818-1823, p212). Catherine Young Bruner married John Bruner, 12 November 1823 Breckinridge County, KY; bond on their marriage was by Martin Young. John is probably the John, who was a brother of Jacob Bruner, Jr. and who was named in his father, Jacob Bruner, Sr.'s will in 1822. In Jacob, Jr.'s home in the 1820 census there are 3 children – 2 boys under 10 and 1 girl under 10. They are the three children listed below. These heirs are proven by a circuit court suit found in the Hancock County, KY Courthouse Archives Bundle 23, case file #264). In the suit Mrs. Catherine Bruner, Martin Young & his wife, Mary, formerly Bruner brought suit against the heirs of Jesse Isom, dec'd on 30 September 1846. The Isom heirs were listed as Margaret Isom and infant heirs –James, Julia Ann, David, Susanna & Franklin Isom. The plaintiffs were seeking to recover \$35 & interest due from the estate of Washington Bruner, deceased. In the will of Washington Bruner in 1843 he names a half-brother, Jesse Isom. The said Washington Bruner, son of Catherine Bruner, and brother of Mary Young, died in 1843; he was under age and was living with his half-brother, Jesse Isom, also a son of the Catherine Bruner. The Washington Bruner at his death owned a horse that was subsequently sold by Jesse Isom for \$35. Jesse Isom has since departed this life. Jesse Isom's administrator, Minor E. Pate, has since refused to pay the share due the other heirs of Washington Bruner. On 18 April 1848

the court ordered that Minor E. Pate divide the proceeds from Washington Bruner's estate as follows – 2/5 to Catherine Bruner, 2/5 to Mary & Martin Young & 1/5 to heirs of Jesse Isom.

1. **Jesse Isom** was born c1809 Washington County, KY. At the time of his birth a William Isom was a resident of Washington County, KY, who possible is his father. Jesse married Margaret Snider, 24 February 1831 Hancock County, KY. Margaret, daughter of John Snider & Charity Barrack, was born 1800-1804 VA and died in 1878. Jesse died in November 1843 Hancock County, KY. Their children were: **James William Isom** (31 October 1832 – 29 August 1911 Bryan County, OK, married Mary Reynolds, children – James Frank, David H., Annie & Mary J.); **Julia Ann Isom** (September 1834 – 19 December 1913, buried Elmwood Cemetery, Owensboro, Daviess County, KY, married James C. Corley, children spelled their name Cawley; children – Susan A., John, Eldred, James Amos, Margaret H., Edward Wave, Jesse Morgan & Annie Bell); **David H. Isom** (1836 – 16 January 1862, he enlisted in the Union Army, Co. E, 3rd KY Cavalry on 6 November 1861 at Owensboro, KY and died of typhoid fever on 16 January 1862 at Calhoun, McLean County, KY); **Susan Isom** (May 1839 – after 1900, married John Calvin Corley, children – Anna, Charles & Virginia R.); and **Franklin Isom** (17 April 1841 – 24 July 1917, Union soldier during Civil War, buried Hale-Isom Cemetery, Hancock County, KY, married Elizabeth E. Ritchey, children – Idella, Nannie, James David, Charles Jefferson, Jesse Hardin & Lesse F.)

Franklin Isom (1841-1917)

2. **Mary Bruner** was born c1816 Breckinridge County, KY. She married her first cousin, Martin Young. [See Martin Young family record on page 89]
3. **Washington Bruner** was born c1822 Breckinridge County, KY. He died single in 1843; leaving as his heirs – his mother, one sister and a half-brother.

Barbara Young, daughter of Martin Young, Sr. & Margaret Conder, was born 1794-1800. She married Jacob Bruner, 12 February 1812 Breckinridge County, KY. This appears to be Jacob Bruner, Jr., who was the son of Jacob Bruner, Sr. & Catherine Peckinpaugh, and who

married Barbara's sister, Catherine Young in 1814. There were only two Jacobs (Sr. & Jr.) in the Breckinridge County, KY tax records during this period and it was not Jacob, Sr., who married Barbara, because his wife, Catherine Peckinpaugh was still living at the time. Barbara possibly died during 1812-1814 prior to Jacob Bruner (Jr.'s) remarriage.

Elizabeth Young, daughter of Martin Young, Sr. & Margaret Conder, was born c1793 in North Carolina. She married John William McFall, 21 January 1811 Washington County, KY. Bond on her marriage was by her father, Martin Young. John McFall was born c1788 in Virginia. The following biography was published in the Tobin Township, Perry County, IN section of the book, History of Warrick, Spencer and Perry Counties, Indiana (Goodspeed Bros. & Co, 1885, p790):

JOHN McFALL was born in Hancock County, Ky., October 15, 1820, and is the third child of six boys and seven girls of John and Elizabeth (Young) McFall, the father a native of Virginia and the mother of Kentucky. The father when a boy came to this county, and finally married in Kentucky; and in 1835 moved to Crawford County, Ind. A few years later he came to Boyer's Bottom, this county, but in 1848 bought a quarter section in Tobin's Bottom. The father, in 1810 occupied a fort on Blue river with others as a protection against the Indians, and was only a few days too late to take part in the battle of Tippecanoe in 1811, being on the way. He died in 1865, honored and respected, his wife having preceded him July 2, 1844. Our subject remained with his father until the age of thirty years. January 1, 1850, he married Dorinda, daughter of Hoyt and Frances Humphrey, and to them nine children were born, four now living: Hoyt, Waldo, Peter and Lydia Belle, wife of William Little. He began farming for himself after marriage, and about 1853 bought a grist-mill, which he operated in connection with his farm for about eight years. He now owns sixty-four acres on section 17. August 9, 1878, Mrs. McFall died, since which Mr. McFall has lived with his son Hoyt. He is well respected, is a Republican, and was reared a Baptist.

According to this sketch in 1810 John McFall was sheltering in a fort on the Blue River. The Blue River referred to is a 57-mile-long two-forked stream that runs through Harrison, Crawford and Washington counties in Indiana. The headwaters of the North Fork arise near Salem in Washington County and flow south, and the headwaters of the South Fork arise near New Liberty and flow southwest. The two small forks converge in Fredericksburg. From the confluence, the river flows south until it joins Ohio River in the Harrison-Crawford State Forest, just upstream from Leavenworth, Indiana.

John & Elizabeth McFall soon after their marriage moved with the Young family to the Hancock County, KY area. John is listed in the 1820 census of Breckinridge County, KY, 1830 census of Hancock County, KY, 1829-1837 tax lists of Hancock County, KY, 1840 census of Crawford County, IN, 1850 & 1860 censuses of Perry County, IN. In a delinquent tax list for 1837 it was recorded that John McFall moved to Indiana. John was a farmer. Elizabeth (Young) McFall died in Perry County, IN on 2 July 1844. John McFall married Elizabeth Patterson, 15 February 1851 Hancock County, KY. She was Elizabeth M. Johnson, daughter of Elisha F. Johnson & Leodica Martin, who was born c1805 and was the widow of David B. Patterson (1802-1850); she is listed as being age 44 in the 1850 census of Hancock County, KY. In November 1853 John McFall was granted a divorce from his second wife, Elizabeth (Perry County, IN order book D p361). John married Mrs. Margaret Robinson, 23 August 1854 Perry

County, IN. Margaret was the daughter of Robert Isham Axton & Margaret Carter Dobbs; she was born 25 August 1802 Richmond County, NC; married Henry Henderson Robinson, 25 August 1802 Ohio County, KY. Her husband, Henry Robinson, was murdered on 11 May 1847 while in a canoe on the Ohio River; he and Margaret had six children – Alexander J. P., Artamissa E., James Henry Clay, Benjamin F., Redman W. & Henderson Talmond. Margaret is listed with John McFall in the 1860 census; in their home were listed three of her Robinson children who were mistakenly listed under the McFall name. Margaret Axton McFall died 11 March 1870 Perry County, IN.

The biography published in the 1885 book History of Warrick, Spencer and Perry Counties, Indiana states that John McFall died in 1865. Every tree on Ancestry.com report that he died in 1865. However, his death may actually have been in 1863 and his estate settlement in 1865. In Perry County Order Book 2 (1860-1871) it is recorded that Margaret McFall was appointed the administratrix of the estate of John McFall deceased on 1 September 1863 (see references on pages 171, 176, 179, 251 & 264). On page 290 of the same book at a Common Pleas Court session of 17 May 1865 a report by Margaret McFall, adm'x of John McFall's estate was recorded. The proceeds of his estate were ordered to be divided into eleven parts each of the following to receive 1/11th share: John McFall, DeHart McFall, Joseph McFall, George McFall, Margaret Shickles, Elizabeth Christ, Rose Ann Ranger, Julia A. Walker, heirs of Sallie Johnson deceased, heirs of Susan Minor deceased and Ruth Jarboe. The children of John William McFall and Elizabeth Young were:

1. **Rosanna McFall** was born c1814. The 1850 census gives her birthplace as Indiana but the 1860 census has Kentucky. She married Eli Wales, 28 March 1833 Hancock County, KY. The groom's last name is hard to decipher – it could be Wales, Walls or Wells. Most genealogies have interpreted it to be Wells. However, I believe it is “Wales”. Rosanna's daughter, Elizabeth, is clearly listed as Wales in the 1850 census. Rosanna married second Levi Ranger, 21 June 1843 Scott County, MO. Rosanna & Levi are listed in the 1850 & 1860 censuses of Perry County, IN (Tobin Township). Levi was born c1818 Ohio. Levi received a pension for his service in the Union army during the Civil War (Co. D, 12th KY Cavalry). Rosanna was living when her father's estate was settled in 1865. She possibly died during 1865-1868. On 17 November 1868 Rosanna's husband, Levi Ranger, married Eliza Ann (Clark) Tilly. Levi & Eliza appear in the 1870 Perry County, IN census. In 1891 Levi's widow, Eliza, was granted his military pension. Rosanna McFall was the mother of:

- **Elizabeth Wales** was born c1837 IN. “Elizabeth Wales”, age 13, is listed with her mother in the 1850 census of Perry County, IN.
- **Sarah Ranger** was born c1844 IN. She is listed with her parents in the 1850 & 1860 censuses of Perry County, IN. She married Thomas Chambers, 3 November 1865 Perry County, IN. Born in November 1842 Hancock County, KY he was the son of Giles Chambers, Jr. & Sabrina Sellers. Thomas served in the Union army during the Civil War (27th KY Infantry). They are listed in the 1880 census of Vanderburgh County, IN. Thomas Chambers married 2nd Mahala (Lake) Perry, 8 December 1884 Perry County, IN. Thomas died 20 July 1901 Evansville, Vanderburgh County, IN, where he was buried in the Oak Hill Cemetery. Sarah

Ranger & Thomas Chambers were the parents of – **Cassander** (16 October 1866 – 15 August 1913, buried Oak Hill Cemetery, Evansville, IN, married Frank Fickas, children – Nora Margaret, Beatrice Victoria, Cora M., Frank J. & Ethel Elizabeth); and **Mary** (4 November 1869 – 25 September 1914, buried Oak Hill Cemetery, Evansville, Vanderburgh County, IN, married Walter Ostein, children – Phrona Mahali, Walter Thomas, Tony Allen, Chester Franklin & Charlotte).

- **Mary Ranger** was born c1847 IN. She is listed with her parents in the 1850 census but was not listed in their home in the 1860 census.
- **Jackson Ranger** was born 1869 IN. He is listed with his parents in the 1850 census but was not listed in their home in the 1860 census.

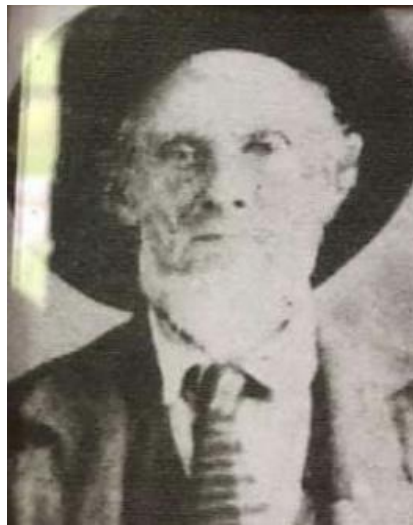

2. **Sarah McFall** was born c1816. She is reported to be born in Kentucky and was age 33 in the 1850 Hancock County, KY census. She married Elisha F. Johnson, 3 October 1833 Hancock County, KY. He was the son of Elisha F. Johnson, Sr. & Leodocia Martin, who were married 14 October 1802 in Bullitt County, KY. Elisha, Jr. died 1846-1850. Sarah McFall Johnson married Marshall Angel, 9 January 1851. Marshall, son of John Angel, was born c1825 TN, married Sylvania Vaughn, 8 September 1864 Hancock County, KY, he served in the Union Army during the Civil War. He is listed in the 1870 census of Hancock County, KY. A death record in the 1852-1861 Kentucky Vital Statistics records that Sarah Angel died of typhoid fever on 4 January 1856 in Hancock County, KY; she was age 39, born Breckinridge County, KY and was the daughter of John & Elizabeth McFall. Sarah's children included:

- **Rhoda Jane Johnson** was born c1834 KY and died after 1854. She married Thomas F. Newhouse, 20 January 1853 St. Genevieve County, MO. They had a son, **Joseph Richard Newhouse** (11 April 1854 TN – 27 April 1915 Louisville, KY, married Susan E. Cooper, children – Richard G., Jesse Morton, William McKinley, Robert Emerson & Anna S.).
- **Henrietta Johnson** was born c1836 KY. Married James A. Sheckell (1840-1909), 11 August 1859 Crawford County, IN; the son of Silas Sheckels & Elizabeth Walker; he was a Union soldier during the Civil War; he is buried Keithsburg Greenmound Cemetery, Mercer County, IL. Henrietta Sheckell in 1900 was a resident of Mercer County, IL. Children – **Silas Andrew** (30 April 1860 – 17 May 1927, married Dora A. Ellsworth); **James Allen** (1862 - 1911, married Josephine Mary Heisler); **Addie Bell** (14 May 1865 – 24 July 1933, married Thomas Lawrence Hardin); **William Richard** (1868 – c1898, married Dora A. Ellsworth); **Charles S.** (c1870 – before 1880); **Mary Eleanor** (1872 – after 1880); **Bertha Viola** (c1876 - , married Benjamin Clinton Green); and **?Adda** (c1876 – after 1880).
- **James L. Johnson** was born c1840 Arkansas.
- **Mary A. Johnson** was born c1844 Arkansas
- **Martha Virginia Johnson** was born 26 March 1845 KY. She married William Rice Dunn, 4 July 1866 Crawford County, IN. The son of William Dunn & Melissa Jacintha Leas, he was born 9 July 1843 IN and died 17 March 1922 Jackson County, IN. Martha Virginia died 5 March 1912 Louisville, Jefferson County, KY; she and her husband were buried Riverview Cemetery, Seymour,

Jackson County, IN. They had three children – **Marcia Viola** (22 April 1867 – 11 September 1937, married Dr. James Morton Jenkins, children – William Irving, Jesse Morton, & Temple Burch); Dr. **Jesse Temple** (9 November 1868 – 1 March 1913, married Ida M. Peck); and **Bertha B.** (28 July 1871 – 14 April 1873).

- **Nancy Johnson** was born 3 May 1846 KY. She married John Wiseman, 23 May 1869 Crawford County, IN. He was born c1847 IL. They are listed in the 1870 census of Franklin County, Kansas. She died 1 April 1872 and was buried in the Fouts Cemetery, Franklin County, KS. Children – **Mae Henrietta** (3 June 1870 – 14 November 1954 Alameda, CA, married Frank Mesa Pierce and ___ Clark).
3. **Ruth A. McFall** was born 3 May 1817. The 1850 census reports she was born in Indiana and the 1860 & 1870 censuses has that she was born in Kentucky. She married Benedict Jarboe, 30 July 1838 Crawford County, IN. Benedict was born 25 July 1816 Breckinridge County, KY. He was the son of Jarrett R. Jarboe (1793-1852) & Elizabeth Jefferson and was the grandson of Benedict Jarboe (c1765-c1828) & Drucilla Coomes. His parents and grandparents former residents of Hardy County, VA moved to Breckinridge County, KY during 1814-1815. They lived in the area of Breckinridge County that became Hancock County in 1829. His father, Jarrett, is buried in the Fairview Cemetery in Hancock County, KY. Benedict, husband of Ruth McFall, is listed in the Hancock County, KY 1838-1852 tax lists and 1840 & 1850 censuses. Benedict was a farmer and is never shown as owning any land. Benedict appears to have died during 1852-1854. Several researchers report he died on 8 July 1852. Dorothy Watkins, author of the genealogy column, “Climb Your Family Tree” that was published during 1968-1989 in the Hawesville, KY newspaper, Hancock Clarion, and who was close friends with many of the Jarboes at Patesville, KY in 1973 wrote in a letter to a McFall descendant, Bettye Henze, that Benedict Jarboe was buried at the Deer Creek Church Cemetery in Perry County, IN and his wife, Ruth McFall Jarboe, was buried in the Young Cemetery on the McMahan farm in Hancock County, KY. A grandson, Arnold Jarboe (1893-1981) said that when his father, Jarrett Jarboe (1846-1921) was five years old his father, Benedict, moved to Deer Creek, in Perry County, IN and he died there and was buried there. This statement corresponds closely to Benedict’s disappearance from the Hancock County, KY records. In the annual Hancock tax lists he last appears in 1852 and in 1857 his widow, Mrs. Ruth Jarboe, begins to be listed in his place. Ruth is found in the 1857-1862 tax lists and appears as a household head in the 1860 Hancock County census. In the 1870 Hancock County, KY census Ruth Jarboe, age 70, born KY was reported to be “living in the home” of her daughter-in-law, Susan (Young) Jarboe (1841-1932), who was the widow of Ruth’s son, Francis; Susan was also Ruth’s first cousin; she was the daughter of Rev. Martin M. Young, who was listed in the next household. Ruth was not found in the 1880 census and apparently had died by then. A grandson, Walter Jarboe (1879-1964), reported that Ruth was buried in the Young Cemetery in Hancock County. The birth dates of Benedict & Ruth Jarboe cited herein are from the Jarboe family bible that in 1983 was in the possession of Malcolm Jarboe (1903-1986) of El Paso, TX, a great-grandson of Benedict & Ruth (see book, Climb Your Family Tree (Genealogical Newspaper Columns In The Hancock Clarion, Hancock County, Kentucky, Vol. I, Dorothy Watkins, Owensboro, KY, Cook & McDowell Publications, 1980, pp64-66). Children of Benedict Jarboe & Ruth McFall were:

- Elizabeth Jarboe** was born 3 June 1839 Hancock County, KY. She married Francis Marion Riley, 5 September 1861 Hancock County, KY. The son of William & Eliza Riley he was born 26 September 1826 Washington County, KY. On 3 February 1846 in Perry County, IN Francis married Sarah Ann Rosencrants, who died 1854-1861. Francis & Sarah's children included – George W., William, Margaret E., Nathaniel Green, Sarah Francis, Emily & Lucy. Francis Marion is listed in the 1850 & 1870 censuses of Perry County, IN, 1880 census of Breckinridge County, KY and 1900 census of Hancock County, KY. He was a farmer. Elizabeth Jarboe Riley died 9 March 1906 and Francis Marion Riley died 27 November 1909 Hancock County, KY; they were buried Fairview Cemetery, Hancock County, KY.

HANCOCK COUNTY NEWS.

Uncle Marion Riley was in town on Tuesday, and while he is 82 years old he still retains a great deal of that old time vigor which made him the "champion" prizefighter for several counties around in his early days. In his youth he was regarded as the best man for his inches in all western Kentucky, and many a husky bout with the old time "scrapers" are on his side of the ledger. He has, it is said, one of the finest collection of Indian relics in this part of the state, the collection of many years, which he is anxious to dispose of, and any one in the market would do well to investigate.

A Good Woman Gone.

PATESVILLE, KY., Nov. 27th.—(Special)
—'This with great sadness we record the death of Mrs. George Jarboe, which occurred Wednesday, Nov. 22nd 1899, at 9 o'clock a. m., after 120 days illness of typhoid fever. Mrs. Jarboe was a true Christian, and one of the leading members of the Baptist church, which realizes the loss of one of its brightest light. Although she will be greatly missed, and her place in her home and church is vacant, never to be filled, we have a great consolation in knowing one so good and true, has found a home where the faithful are ever blessed. Her life should be an example to her family and friends.

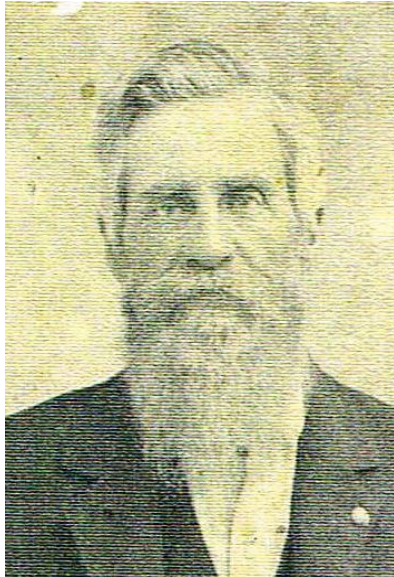

The funeral services were conducted by Rev. Cicero Corlery at the Baptist church, Thursday at 11 a. m., after which the remains were laid away in the Bethelham graveyard to await the resurrection. The entire community extends their sympathy to the bereaved family.

MRS. CASSANDRA KINDER

Mrs. Cassandra Kinder passed away at her home at Tobinsport on Friday morning after a lingering illness. Mrs. Kinder was born March 2, 1845, and died June 6, 1930, at the age of 85 years, 2 months and 16 days. She was a daughter of Benedict and Ruth Jarboe, one of a family of seven children, 3 sons and 4 daughters. She was next to the youngest and the last of the family to be called home. While living on a farm on Deer Creek, she was married to William Kinder, in August, 1865. She often told her children of wearing a black crepe ribbon around her arm as a mourning for Abraham Lincoln, when she was married. To this union eight children were born, her husband and 3 daughters and the oldest son have preceded her in death. Surviving are Jaret Kinder, Tobinsport; Mrs. Sallie Pleasant, Moweaqua, Ill.; Otis Foster Kinder, Cloverport, Ky. and Miss Nannie Kinder with whom

she made her home in Tobinsport. She is also survived by 30 grandchildren and 17 great grandchildren.

At 12 years of age, Mrs. Kinder united with the Blackford Baptist church in Kentucky, and in November, 1890, she brought her membership to Gilead church. For 73 years she was a member of these churches:

Grandma Kinder, as she was affectionately called by every one, was a kind neighbor, a devoted mother to her children and was very fond of her grandchildren and great-grandchildren who all loved her dearly and ministered to all her wants in her last day. Besides her immediate family she will be greatly missed by other near relatives and a large circle of friends.

"Well done thou good and faithful servant

"Enter thou into the joy of thy Lord"

John T., son of George Peter Bruner & Anna Maria Achenbach, was born 17 June 1787 Jefferson County, KY. John T. is listed as an heir of George in Breckinridge County deed book H, p17. His family after moving to Kentucky about 1785 first resided near Louisville. During 1795-1796 they moved to Hardin County locating in the area that became Breckinridge County, KY in 1799. John T. is listed in the Breckinridge County 1813-1828 tax lists and 1820 federal census; in most years he was listed with his middle initial, “T.”, to differentiate him from two other Johns in the county. He is first listed with land in the tax records in 1825. He owned 100 acres on Blackford Creek. Blackford was in the western part of Breckinridge County that in 1829 became part of the new county of Hancock. John T. beginning in 1829 is listed in the tax records of Hancock County and appears there in the 1830, 1840, 1850 and 1860 censuses. In addition to a farm on Blackford Creek he was also taxed prior to 1863 on several slaves, during the 1830’s he owned 2 slaves, in 1850 he owned 11 and in 1860 he had 16. John T. died 17 June 1862 and was buried in a cemetery on his farm off of the Hawesville – Knottsville Road near the Blackford Creek Baptist Church in Hancock County. The late family historian Henry Albert Bruner (1906-2001), author of the book, Some Descendants of Joseph Bruner and Cathrina Elizabetha Thomas (1990), of Hawesville, KY stated to this writer in 1982 that the monument of John T. Bruner was on his home place near the Blackford Creek Baptist Church. It was leaning against a tree and is the only monument now found in the family cemetery. His widow, Nancy Susan Bruner died after 1862. She is not listed in the 1870 census and apparently had died by then. In John T. Bruner’s will and division of his slaves and land his heirs were named as wife, Susan, and children, John Logan Bruner, William H. Bruner, Martin Bruner, Davis M. Bruner, & George W. Bruner, Caroline Head, Catherine C. Brown, Evaline Rice, Elizabeth Jane Bruner and heirs of Martin Bruner, deceased (Hancock County Will Book 4 p48 & Division of Land book p62).

This document records that Jacob Young died on 12 December 1860 and lists the names of his 12 children. By the fact the record was recorded in Franklin County his death probably

occurred there. Henry Jackson Page (1841-1917), a grandson, of Jacob wrote that “Jacob Young died at the writers fathers house in 1863.” The writer’s parents, Jeremiah & Margaret (Young) Page were living in Franklin County, IL at the time of the 1860 census. Jacob’s died not long after he had returned to Illinois. On 5 July 1860 he was enumerated in the census of Daviess County, KY. By 29 November 1860 he had left Kentucky. On this date his son, Jacob Young, Jr. married Eleanor Fulkerson in Hancock County, KY and on the marriage license it was written that the mother of the young man gave consent in person, his father being absent from this state (Hancock County, KY marriage book 2, p18).

Henry Jackson Page (1841-1917), grandson of Jacob & Charlotte (Bruner) Young, was a family historian. A collection of his research on the family was posthumously published in a 47-page booklet, Genealogical History of the Page Family: A Record of the Descendants of Robert Page of South Carolina. The following entry from the booklet appeared on pages 11-12:

4. **Martin Young** was born c1823 Breckinridge County, KY. Because he is listed as Martin Young, Jr. on his marriage numerous researchers mistakenly list him as a son of Rev. Martin M. & Margaret Young, of Hancock County, KY. “Jr.” does not always mean son of but frequently is used to distinguish someone from another older person of the same name in the same county. He is proven to be a son of Jacob Young by Jacob’s estate records that list him as an heir and also in documents proving the heirs of Rev. Martin Young he is not listed (see Hancock County, KY deed book 27, p68 & Hancock County, KY Circuit Court records, bundle 292 case file #2345). Martin married Mary Bruner, 10 February 1846 Hancock County, KY; they were married by his uncle, Rev. Martin M. Young. Mary, daughter of Jacob Bruner, Jr. & Catherine Young, was born c1816 Breckinridge County, KY and died after 1880 [see page 33]. Martin and Mary were first cousins. Martin is listed in the 1845-1854 tax lists of Hancock County, KY, 1860 census of Franklin County, IL, and 1870 & 1880 censuses of Jefferson County, IL. Eleanor, daughter of George Washington Fulkerson & Rachel Riggs, was born 12 April 1842 Daviess County, KY. Jacob's nephew, Henry Jackson Page, wrote that Jacob, Jr.'s wife died in Franklin County, IL of smallpox about 1863. Jacob served in the Union army during the Civil War. He was mustered in the 60th Illinois Infantry on 17 February 1862; at his entry into service he was age 22, married, a farmer and resident of Benton, Franklin County, IL. While in the service he died of disease on 6 January 1865 at Louisville, Jefferson County, KY. 12. **Rebecca Young** was born c1846 IL. She is listed in her parents' home in the 1860 census of Daviess County, KY and is listed as a surviving child in Jacob Young, Sr.'s estate papers in 1860.

George Young, son of Martin Young, Sr. & Margaret Conder, was born c1800 Washington County, KY. The 1850 census records that George Young, age 50, born KY was a farmer. He is listed in the Breckinridge County tax lists of 1824, 1827 & 1828; he is absent from the 1825 & 1826 lists. Upon the formation of Hancock County in 1829 he begins to appear in the records there. He is listed in the Hancock County, KY censuses of 1830, 1840 & 1850 and in the 1829-1851 tax lists of Hancock County, KY. He is not found in any of the Hancock County deed books. About 1825 he married Sarah; she was born c1805 KY and died after 1870. George & Sarah's marriage has not been located. It was possibly in Breckinridge County, where the marriage books prior to 1852 were lost at the time of a fire at the courthouse in 1958. In various family trees and records Sarah's maiden name is given as Sanders, Johnson, Whitener and Shelby. The death certificate of her daughter, Ruth Corley, lists her as Sallie Sanders, and on the death certificate of her son, James Thomas Young, it appears as Sarah Johnson. There indeed was a George Young, who married Sarah Shelby, but their marriage was in Virginia in 1792. Without further proof other than one single record I would not venture a conclusion as to Sarah's identity.

In Hancock County, KY Order Book 5 (pages 169-170) the following entry was made for the court session on 22 September 1851:

It is suggested in Court that George Young is a lunatic and now confined in the Lunatic asylum at Lexington and that he has some small estate in this county. It is therefore ordered that James Sanders be and is hereby appointed curator to take charge of said estate. That he sell at public sale on a credit of six months the perishable property taking bonds with good surety to himself and that he make a report of the notes taken and an inventory of the estate not sold to this court at the next. Ordered that the clerk of this court bind out David Young & James T. Young infant children of George Young, a lunatic now confined in the Lunatic asylum, to Peter Bruner Sr. until they are 21 years of age with the lawful covenants and in addition that said Bruner give to each of them a horse saddle & bridle worth \$50 at the end of the term of service each with a proviso that if said George Young should return & be restored to sound mind and be considered by the court capable of taking care of his said children & pay the said Peter Bruner the amount the amount of reasonable expenses & trouble over & above the services of said children to be judged of by the court inactions to be void.

In 1854 the Western Lunatic Asylum was established at Hopkinsville, Christian County, KY. Subsequently many of the inmates at the Eastern Lunatic Asylum in Lexington, KY were transferred to the new asylum. In the 1860 Federal census George Young was not found. In the 1870 & 1880 censuses in the listings for the Western Kentucky Lunatic Asylum there was a George Young listed. His ages were listed as 58 and 67, his place of birth was given as Kentucky and the 1880 census reported that he was married. I believe this is probably the George Young, of Hancock County, who had been committed to the Lexington Asylum in 1851. Proof possibly could be found in the ledgers of the various Kentucky lunatic asylums that are stored at the Kentucky State Library & Archives in Frankfort, KY.

In the 1852-1853, 1857-1859, 1863-1864 & 1867 Hancock County tax lists George Young's wife, Mrs. Sarah (Sally) Young, appears in his place. Sarah signed consent for the marriages of her daughters, Ruth, in 1854 and Elizabeth in 1866. Sarah Young appears in the 1870 Hancock County census; with her are her three youngest sons, David, Thomas & Adam. Sarah was not living with any of children at the time of the 1880 census and probably had died during 1870-1880.

Children of George & Sarah Young are:

1. **Nancy Ann Young** was born c1829 Hancock County, KY. She married James T. Sanders, 23 September 1847 Hancock County, KY. George Young, father of the young lady, gave consent in person for Nancy to marry. James, son of Silas Sanders & Frances, was born in August c1824 Illinois. His parents in 1820 lived Smith County, TN, in 1830 in Marion County, IL and by 1834 they were living in Jefferson County, IL, where his widowed mother, Franky, is listed in the 1840 census. Three siblings of James also married into the Young family – Theophilus Sanders married Charlotte Young (daughter of Jacob Young & Charlotte Bruner), Lydia Sanders married Henry M. Young (son of Jacob Young & Charlotte Bruner) and John Sanders married Elizabeth Susan Young (daughter of George Young & Sarah). James T. Sanders came to Hancock County, KY circa 1846 at about the same time Nancy Young's uncle Jacob Young returned there after

living several years in Illinois. James Sanders is listed in the 1850, 1860, 1870, 1880 & 1900 censuses of Hancock County, KY. Nancy Ann (Young) Sanders died during 1864-1868, James Sanders married Ruth Elmira (Bruner) Hale, 18 November 1868 Hancock County, KY. Ruth, daughter of George Washington Bruner & Mary Davis, was born 1 January 1825 Breckinridge County (later Hancock County) KY; she married first William Hale, Jr. (c1820-1861), 28 October 1841 Hancock County, KY. James Sanders died 29 August 1901 Indian Hill, Hancock County, KY. Hancock Clarion (Hawesville, KY, Saturday, 31 August 1901) – “Floral: Old Uncle Jimmy Sanders died Thursday of heart trouble, after a long illness. His funeral was preached by Rev. R. T. Bruner of Owensboro.” By his will he left his farm and stock to his wife, Ruth. Ruth died 13 March 1919 Daviess County, KY. She was buried with her husband, James Sanders, in Hancock County in the Sanders – Hale Cemetery, off of the Indian Hill Road a short distance west of the Hawesville – Pellville Road. Cannelton.—Funeral services and burial for Mrs. Emma S. Ashworth, 78, who died Thursday, were held at 11 o'clock Saturday morning in Hancock county, Kentucky.

- **Mary E. Williams** was born c1864 Hancock County, KY. She married her 2nd cousin & brother-in-law, David William Jarboe, 22 March 1902 Hancock County, KY. [See David William Jarboe family record on page 139]
4. **Martin Young** was born December c1835 Hancock County, KY. He married Eliza Ellen Hale, 7 November 1860 Hancock County, KY. On his marriage it was written he was the son of George Young; this was probably added in order to distinguish him from two first cousins of the same name, who were living in the county. Eliza, daughter of Job Hale &

Frances Love, was born c1840 Montgomery County, VA. Eliza's sister, Hester V. Hale, married Martin's older brother, Horace Young. Martin is listed in the 1850, 1870, 1880, 1900 & 1910 censuses of Hancock County, KY. He first appears in the Hancock County tax lists in 1857. After his name in the 1859 Hancock tax list it was written that he was crippled. In 1880 his occupation was given as farmer and in 1900 as fur dealer. In the 1880 census following his name it was written "leg shot off". Several older relatives I interviewed recalled him as being crippled and walking on crutches. In the membership records of the Patesville Baptist Church it is recorded that Martin & Eliza Young were received as members and Eliza died 22 March 1899. In 1892 Martin purchased a lot in the town of Patesville and sold it in 1904. In 1900 Martin was living with his niece, Sarah Jane (Williams) and her husband, John Jackson Young. In 1902 he was living with his nephew, Fred Young, in the town of Patesville, Hancock County, KY. In 1902 he and Fred Young were operating a grocery – ice cream parlor in Patesville. In 1904 he went to Narrows, in Ohio County, KY to reside with his nephew, William Silus Sanders, whose son, David, recalled him living with them. In 1910 Martin was living at the Hancock County, KY Poor Farm on River Road in the northern part of the county; he was reported to be a pauper. Martin died of chronic diabetes on 29 June 1916 Hancock County, KY. His death certificate reported that he was a pauper, was the son of George Young and was buried Pellville. The informant on his death certificate was Davis Nix, who was related to him in multiple ways.

Patesville community column:

PATESVILLE.

Wheat threshing is in full blast in this neighborhood.

Mr. Martin Young got his leg hurt again. He was where they were threshing wheat for Mr. Corley, and, while walking around, fell over a sack of wheat, knocking his knee-cap down. He is very poorly at this writing. Dr. Rafferty is the attending physician.

Breckenridge News, Cloverport, KY, Wednesday, 29 March 1899 p5

Patesville community column:

The death angel visited our little town Tuesday night and claimed for its victim Mrs. Nart Young. She was fifty-six years and in apparently good health. She ate a hearty supper and retired early. Her husband awoke about midnight and found her drawing her last breath. It is thought apoplexy was the cause of her death. Mrs. Young was a good woman and will be missed in this place. Her bereaved husband has the sympathy of the community.

Pellville community column:

Mart Young's wife, near Patesville, killed herself one night last week, by taking a double dose of morphine, to cure neuralgia.

5. **David Young**, 'Davis', was born c1838 Hancock County, KY. He is listed in the 1850 (age 12), 1860 (age 18) and 1870 censuses (age 26) of Hancock County, KY. In family trees he is frequently confused with his first cousin, Davis T. Young (son of Michael), who was about the same age; Davis T. in most records is listed with the middle initial T., which readily distinguishes him from George Young's son. In the 1860 census David and his younger brother, J. T. Young, were living at the residence of Peter Bruner and after their names was written "bound". In 1851 he and James T. Young were apprenticed to Peter Bruner, Sr. until they reached the age of 21. David did not marry in Hancock County and he was last identified in Hancock County, KY records in the 1875 tax list.
6. **Mary Young**, 'Polly', was born c1840 Hancock County, KY. She married Henry Franklin Corley, 'Frank', 22 November 1866 Hancock County, KY. They were married at her mother, Sarah Young's residence. Frank, son of Ranson Corley & Nancy Lyons, was born April 1840 Shelby County, IL. His parents were married 17 January 1830 in Hancock County, KY. Frank Corley is listed in the Hancock County, KY censuses in 1850, 1860 (spelled Cawley), 1870, 1880, 1900 & 1910. He served in the Union army during the Civil War; he enlisted in the 12th KY Calvary on 5 September 1862. Mary Young Corley died 1876-1880. Frank Corley in the 1880 census was reported to be widowed and living with him were their six children. He married his wife's sister, Ruth Angeline (Young) Williams, 8 March 1885 Hancock County, KY. Frank died 8 November 1919 Hancock County, KY. His death certificate reported he was buried Mt. Eden Cemetery, Hancock County, KY. Teanie Corley Coon (1904-1997), reported to this writer that her grandparents, Frank Corley & Mary Young and his second wife, Ruth Young, were buried in the Jarboe Cemetery, Dink Clark farm, Hancock County, KY. Also the WPA's Registration of Veterans Graves for Hancock County reports he was buried in the Jarboe Cemetery.

Michael Young, son of Martin Young, Sr. & Margaret Conder, was born c1802 Washington County, KY. He is first listed as a male age 21 or older in the tax lists of Breckinridge County, KY in 1823 and appears in the annual tax records there through 1828. He appears in Hancock County, KY's first tax list in 1829. He is there in 1830 list and in the 1830 federal census. He is absent from the 1831-1843 Hancock County tax records. In Hancock County order book 1 (1829-1836), p132, at a court on 28 November 1831 a list of delinquents for county levy for 1830 was recorded and in the list was entered "Mike Young moved to Illinois." Michael appears in the 1840 census of Franklin County, IL. His brother, Jacob Young, in the 1840 census is shown in the adjoining county of Jefferson and in subsequent years members of Jacob's family were back and forth between the two counties. Records show that five of Michael's children born during the period of 1832-1844 were born in Illinois (1850 census and a marriage record in the 1852-1861 Kentucky Vital Statistics records that his daughter, Eliza, was born c1832 in Jefferson County, IL). Michael about 1844 returned to Hancock County, KY, where he listed in the 1844-1867 tax lists and 1850 & 1860 censuses.

Michael Young married Nancy Bruner, 26 September 1822 Breckinridge County, KY. Nancy, daughter of George Washington Bruner & Patsey Brickey, was born c1804 Breckinridge County, KY. In the 1852-1861 vital statistics recorded by the state of Kentucky there was a death record for Michael's wife. It recorded that Mrs. Nancy Young died on 14 September 1858 in Hancock County, she died of congestive chills due to consumption at the age of 53, she was a farmer's wife, born Breckinridge County, KY and was the daughter of George & Patsey Bruner. Michael Young was a farmer and the Hancock County, KY deed books show that he purchased a 59-acre farm in 1858 from Robert Triplett's executors and he sold the same in 1862 to George W. McAdams. The county's tax records show he was assessed on this land during 1852-1862. Michael Young died 28 September 1868. His death date and that of his wife, Nancy (14 September 1858), were recorded in a Nix – Young family bible. Copies of the family pages in the bible were sent by Clifton H. Nix (1925-1988), of Cook Station, MO to Mildred Frances White of Cloverport, KY and to the Hancock County Archives in Hawesville, KY. Mr. Nix is the son of John Thomas Nix & Sarah Elizabeth Filback, grandson of Andy Filback & Mary Elizabeth Young, great-grandson of Martin V. Young & Narcissa Angel and great-great-grandson of Michael Young & Nancy Bruner.

Michael Young & Nancy Bruner had 8 children, who lived to maturity. They were:

1. **Peter B. Young** was born c1825 Breckinridge County, KY. He was possibly named after his uncle, Peter B. Bruner (1806-1879). Evaline, daughter of Rev. Martin M. & Margaret Young, was born c1828 Breckinridge County, KY; her father signed his consent for her to marry. Peter & Evaline are listed in the 1850 & 1860 Hancock County, KY censuses. Beginning in 1853 he was taxed on land on Blackford Creek and on 17 January 1865 Peter B. Young, and wife Evaline, sold their farm of 64 acres on Blackford Creek to George W. McAdams for \$800. He is last listed in the county's tax lists in 1866. Peter & Evaline Young and 8 children are listed in the 1870 census of Vanderburgh County, IN. He was a farmer. Of the children listed the first 7, thru Susan, age 3, were born in Kentucky, and the youngest, Martin, age 1, was born in Illinois. No further trace of their family was found. Peter B. & Evaline Young were parents of:

Martin V. married Narcissa Angel, 11 April 1852 Hancock County, KY. Narcissa, daughter of John & Elizabeth Angel, was born c1834 KY and died 1860-1870. Martin served as a private in the Union army during the Civil War. He enlisted in Company D of the 27th KY Infantry on 20 October 1861. He died of pneumonia at the regimental hospital at Pittsburgh Landing, TN on 26 or 30 April 1862. He was buried Shiloh National Military Park, Shiloh, Tennessee. In the same company were several residents of Hancock County, KY, including several relatives – Davis T. Young (1840-1907, his brother), ('Blue') John Young (1831-1919, 1st cousin, son of Jacob Young), William M. Young (1836-1882, 1st cousin, son of Rev. Nathaniel Young was appointed guardian for Elizabeth, David, Martha Jane & Sarah Ann Young, minors, on 26 September 1874 (in the same book p391). Nathaniel Young (1839-1884, son of Rev. Martin) was a first cousin of the children's father. Martin V. Young's son, Michael, was not included in the latter document because he was then age 21 and was no longer a minor. Two of Martin V. Young's children, Michael & Mary Elizabeth, later were neighbors of two of Nathaniel Young's sons in the Old Bethel – Red Hill (Hell's Neck) section of Ohio County, KY. Narcissa, wife of Martin V. Young, was apparently deceased by 1870; she was not found in the 1870 census and in that census three of her children were living in the homes of other relatives. Children of Martin V. Young & Narcissa Angel were:

William, born 13 June 1897 Knottsville Daviess County, KY, was the son of Ignatius Guy Payne & Mary Margaret Nix, grandson of James Nix & Nancy Jane Young and great-grandson of Michael Young & Nancy Bruner. William I. Payne died 18 July 1952 and Elizabeth died 12 December 1965. Both died Owensboro, Daviess County, KY and were buried St. Williams Cemetery, Knottsville, Daviess County, KY. Children – **William Marvin** (18 December 1921 – 14 September 1995, buried Owensboro Memorial Gardens, Daviess County, KY, married Thelma Louise Johnson); and **James Pauline** (8 December 1925 – 8 April 1926, buried St. Williams Cemetery, Knottsville, Daviess County, KY).

8. **Nancy Jane Young** was born September 1844 Illinois. She married James Nix, 4 January 1868 Hancock County, KY. [See James Nix family record on page 24]

Davis / David Young, son of Martin Young, Sr. & Margaret Conder, was born c1809 Washington County, KY. He appears in the tax books of Hancock County in 1830, 1831 & 1832 and after that he disappears from the records of the area. In an 1832 Delinquent tax list returned for Hancock County David Young is listed (Hancock County Order Book 1, p169). One reason why individuals appeared in delinquent lists was they had moved from the county and were no longer a tax paying resident. I find one David that matches up closely with the preceding and who I believe is likely the David Young formerly of Hancock County, KY. In the 1850 & 1860 censuses of Texas the following family appears:

1850 Titus County, TX census:

Young, David	43	m	KY
Eliza	37	f	TN
Nancy	15	f	KY
Jane	13	f	KY
William	10	m	MO
James	7	m	MO
Sarah	5	f	TX
Mary	3	f	TX
John	1	m	TX
Nix, John	21	m	KY

1860 Anderson County, TX census:

Young, David	50	m	KY
Eliza	50	f	KY
William	20	m	MO
Joseph	18	m	MO
Sarah A.	14	f	TX
Mary	12	f	TX
John	10	m	TX

Family trees don't agree on the parents of this David. The majority claim he is the son of a Charles W. Young (1790-1844), who appears in the 1820 & 1830 censuses of Floyd County, KY and who married Margaret McBroom in Floyd County in 1813. However, in these two census listings there is not a male of David Young's age range – for example in 1820 the only other males in the home of Charles are three under the age of 1810; Charles in addition to David is listed as having three sons born between 1813-1816. The David in the 1850 and 1860 Texas censuses appears in the 1840 census of Platte County, Missouri –in his household were listed 1 male 0-5, 1 male 20-30, 1 female 0-5, 1 female 5-10 & 1 female 20-30. The following was said of David Young's wife, Eliza in the A Memorial and Biographical History of Johnson and Hill Counties, Texas, (Chicago, IL, Lewis Publishing Co., 1892, p327):

The present number of members is 121, who have just completed a house of worship. Eliza Young is the oldest member of this church. She was born in Tennessee in 1812, raised in Floyd county, Kentucky, married David Young in 1834, moved to Platte county, Missouri, and finally, in 1844, to Texas; and her youngest son, J. M., is the present clerk of the Baptist church above described.

The facts noted in the preceding passage fit closely with when David Young, son of Martin Young & Margaret Conder, disappears from Hancock County, KY. David Young married Eliza Davis, daughter of John Davis, in Floyd County, KY on 18 June 1834. Since Eliza, wife of

David Young (of Texas), was from Floyd County, KY researchers have assumed that David was also originally from there. This is not necessarily so. He could have been there briefly; just long enough to meet Eliza, marry her in 1834, before moving to Missouri during 1836-1840. David Young, husband of Eliza, died during 1860-1870. Eliza appears as a widow in the 1870 census of Anderson County, TX, 1880, 1900 & 1910 censuses of Hill County, TX. Eliza Young (1813-1911) has a grave marker in the Liberty Grove Cemetery, McLennan County, TX. The 1900 census reported that 9 children had been born to her. David & Eliza's daughter, Martha Jane Young, married John Nix, 4 July 1858 Anderson County, TX. John Nix (1828-1875) in 1850 was living with David & Eliza Young. He was from Kentucky. He possibly had some relationship to the Nix family that was so interconnected with the Young family in Hancock & Washington Counties, KY.

Rev. Martin M. Young, (Jr.), son of Martin Young, Sr. & Margaret Conder, was born c1803 Washington County, KY. He first appears in the Breckinridge County, KY tax lists in 1823. After his name males tithables aged 21 was left blank and in the following year's tax list one male tithable is entered after his name. If he was not yet 21 in 1823 but was 21 in 1824 this suggests he was born c1803. Upon the formation of Hancock County from parts of Breckinridge, Daviess & Ohio Counties in 1829 Martin Young (Jr.) begins to be listed in the tax records of Hancock County, KY. He is listed in the 1830, 1840, 1850, 1860, 1870 & 1880 censuses of Hancock County, KY. In the last four his occupation is given as farmer.

The marriage record of Rev. Martin M. Young has never been located. He married Margaret about 1825; she was born 1800-1803 Kentucky. The marriage was probably recorded in Breckinridge County, KY, where he was then a resident. Unfortunately the first marriage books for the years of 1799-1852 disappeared when on 7 February 1958 there was a fire at the Breckinridge County Courthouse. I was told by the officials there that citizens were carrying records out to ensure they were not lost. Most of these found their way back to the courthouse but the earliest marriages disappeared. Some of the records were also destroyed in the fire. A partial reconstructed list of marriages was compiled from various sources. Some of the children of Martin Young, Sr. appeared in the reconstructed list but not the marriage of Martin, Jr.

Researchers have introduced several guesses that have now been accepted as facts about Rev. Martin M. Young. One of my cousins several years ago located a record of a Martin Young marrying Martha Margaret Crawford in 1825. The first names and year matched and he concluded that this was our Rev. Martin M. Young. There was indeed a couple of these names that did marry about 1825 but, however, they are listed in the 1830, 1840, 1850, 1860 & 1870 censuses of Steuben County, NY. This couple probably never stepped foot in the state of Kentucky!!! The same researcher that made this conclusion on Margaret's identity also surmised that Rev. Martin M. Young's middle name was "Matthew". He had no proof he was just guessing!!! I don't like to guess and accept what someone thinks without some documented proof. If I had to guess at his middle name I would pick – "Marion" which two of Martin's grandson were named.

In Hancock County, KY order book 2 (p187) at a court of Monday, 27 August 1838 the following entry was recorded:

On motion of Martin Young, who presented in court credentials of his ordination as a minister of the gospel and that he is in regular communion with the United Baptist Church, a license is granted him to celebrate the rites of matrimony in this state agreeably to law. Whereupon the said Young took the oath of Allegiance to this commonwealth and also executed and acknowledged bond with Absolem Wilson & N. V. Board his securities conditioned as the law requires.

Rev. Martin M. Young was affiliated with several United Baptist churches in Hancock County, KY, including Blackford, Bethlehem, West Point, and Mt. Eden. In September 1834 he served as a messenger from the Blackford Church at a conference at the Panther Creek Church. Noted in the West Point Baptist Church, Hancock County, KY minutes of – January 1842, “Also agreed to call Bro. Martin Young to take care of the church.” In 1844 he was associated with the Blackford Baptist Church which was then a member of the Goshen Association. The Blackford church in 1877 became part of the newly formed Blackford Baptist Association. In the booklet, “Record of Carter Jerrel Kelley” by Rev. Carter Jerrel Kelley (1810-1880, p62), Baptist minister:

Our ordination occurred on the first Sabbath in July 1849, a little less than ten years after our union with the church. On the Saturday following we were invited to visit Bethlehem church, having been there a month previous and agreed at the earnest solicitation of some of the brethren to return and take charge of the church as pastor as soon as we should be ordained. On that day the church called and Brother M. Young who as a member of the church and an ordained minister and ourself were chosen to work conjointly.

In the Hancock County marriage books during the years of 1839 through 1879 there were 110 marriages on which Rev. Martin Young appeared as the celebrant; on some marriage entries no celebrant was entered. The following reference to Rev. Martin Young and the Blackford Association was published in the book, A History of Kentucky Baptists: From 1769 to 1885, Vol. II, by J. H. Spencer (Cincinnati, OH, 1885), pp645-646:

This flourishing community is located in Hancock, Ohio, and some of the adjoining counties. It was constituted at Bethlehem meetinghouse in Hancock county, on the 30th of November, 1877, of the following fourteen churches, which had been dismissed from the old Goshen confederacy, for the purpose: Pisgah, Mt. Pleasant, Blackford, Union, Hawesville, Bethlehem, Pleasant Grove, Zion, Lewis Port, Friendship, Mt. Eden, Sandy Creek, Pleasant Valley and Roseville. The ministers belonging to these churches were Martin Young, H. V. Bruner, L. C. Tichenor, J. E. Stone, Calvin Voyles, Robert T. Bruner and J. J. Keown. The next year, Panther Creek, Yelvington, Pellville, Chestnut Grove and Pleasant Ridge churches, with Elder R. R. Gabbert, were added to the Association.

One of the first acts of this Association was the appointment of a missionary board, consisting of Robert T. Bruner, George W. Brown and Wm. T. Smith, the duty of which was to make provisions for supplying the destitute within the bounds of the fraternity, with preaching. The next year, the body appointed committees to report on Home Missions, Orphans' Home, State Missions, Foreign Missions, Sabbath schools and Temperance. These objects of benevolence have been fostered by the Association, to the present time. The body has enjoyed uninterrupted harmony, and a high degree of prosperity. It began with fourteen churches, aggregating 1,320 members. In 1880, it

reported twenty-one churches with 2,264 members, and, in 1882, twenty-four churches with 2,508 members. During the first five years of its existence, it reported 725 baptisms.

Martin Young was the oldest minister in this body. Of his early life nothing has been learned. He was an ordained minister at Cloverport, Ky., as early as 1837, and, for many years after, was an humble preacher within the bounds of Goshen Association. He had become too old and feeble, before his church entered into the constitution of Blackford Association; but he was much beloved by the brethren for his past labors; and his simple, unaffected piety. The Lord called him home, at a great old age, in 1882.

Martin Young during the Civil War took the following oath of allegiance to the United States government. The oath was taken by many civil servants and people in positions of influence in an effort to thwart Southern sympathizers. Martin is referred to as "Sr. to distinguish him from his nephew Martin Young (son of Jacob), who was also a resident of Hancock County in 1864:

Martin Young was the first member of the Young family to acquire land in Breckinridge or Hancock Counties, KY. By a series of deeds he purchased from the heirs of Ephraim Lyons, Sr. (1783-1831) & Jesse Isom (c1810-1843) their interest in a 458 ½ acre tract (Hancock County, KY deed books 2 p436, 3 p263 & 6 p80 and circuit court bundle #40, suit #355, filed 23 April

1851, Jesse Isom widow & heirs vs. Martin Young). By the first deed Martin Young on 22 June 1839 paid \$135 to the heirs of Ephraim Lyons, Sr., deceased for their interest in one-fourth part of a 458 ½ tract. Ephraim Lyons, Sr. at a public auction at the Hancock County courthouse on 25 July 1831 had purchased the 458 ½ acre tract from the heirs of his father-in-law, John Snider, Sr. (Hancock County deed book 1 p74). John Snider, Sr. c1758-1830) on 19 July 1824 purchased the same 458 ½ acre tract from Othello Williams (Breckinridge County, KY deed book 6 p73). Snider's son-in-law, William Hale, Sr. (1787-1863) on 3 July 1824 purchased another 458 ½ acre tract from William & Frances Williams (Breckinridge County deed book 6 p33). The Hale tract adjoined the south side of the Snider tract; both were parts of Francis Taylor's 3,000 acre patent & survey. William Hale, Sr. has a gravestone in the Hale-Isom Cemetery on his farm that is on a hill just east of Highway 69 and lying between the Truman Young Road and the Goring Road. The Young Cemetery was located nearby. The cemetery is about five miles south of Hawesville, KY and one mile south of the Mt. Eden Baptist Church; turn east off of Highway 69 onto the Truman Young Road. About a city block distance the road turns to the right, instead of making the turn go straight ahead into lane. Lane ends at former home of the late Rev. Ezra D. Meador (1905-1991). Cemetery is on his farm. At house walk east – go about 300 feet, pass barn, go around north end of pond & cemetery can be seen on a ridge under several trees. The Young Cemetery is marked in red on map below:

Young Cemetery is under trees on hill. Picture taken by Jerry Long on 24 October 1986.

The Hancock County, KY tax lists show Rev. Martin Young being taxed on 170 acres on Caney Fork of the Blackford Creek during the years of 1840-1853. The tax books of 1854-1867 show he was assessed on 120 acres and the lists of 1869-1875 on 100 acres. Martin sold parts of his farm in 1853, 1865 (30 acres to William Compton) and in 1879 (19 ½ acres to T. N. Warfield); the latter tract was bordered on the south by the farm of Frank Isom (Hancock County, KY deed books 6, p282, 13 p184 & 20 p83).

Rev. Martin & Margaret Young in the 1880 census are reported to both be blind. The book, A History of Kentucky Baptists: From 1769 to 1885, reported that Rev. Martin Young died in 1882. Margaret Young died between 1880 & 1892. The location of their graves is not known. Most likely they were buried in the Young Cemetery. The oldest death date on a monument in the cemetery is 18 June 1859 for Mary S. Young, a daughter of Rev. Martin & Margaret's son, William M. Young. Rev. Martin's parents, Martin Young, Sr. & Margaret Conder, who died during the 1840's are also possibly buried here.

At the time of his death Rev. Martin Young still owned about 100 acres of his farm. He died intestate. Ten children of Rev. Martin M. & Margaret are proven by several deeds and a circuit court suit that were recorded in the transfer of the heirs rights to this land. The heirs named in these records were Mary Jarboe (wife of William Jarboe), Evaline Young, (Black) John Young, Davis Young, Sarah Rice (wife of Jesse Rice), William M. Young, Agnes Young (wife of John Young), Nathaniel Young, Susan Young (wife of Horace Young). At the time of the transactions two of the heirs, William & Nathaniel Young were deceased and the heirs of

William were given as - Alfred, Lou, Henry & Fanny and the heirs of Nathaniel were given as - wife, Arminda & children - William, Joseph, Jacob & Fanny. Jacob H. Young (Hancock County, KY deed books 25 p11, 27 p68, 36 p233 and circuit court suit bundle 292 case file #2345, filed in 1892). In 1894 the heirs sold their interest in the land to William Martin Young (1863-1947), son of Davis Young & Mary Taylor and grandson of Rev. Martin & Margaret Young. William Martin Young & wife, Luetta in 1937 sold the same farm of about 100 acres to their son, Truman Young (Hancock County, KY deed book 54 p168). Truman Young (1900-1983) resided in the first house on the north side of the Truman Young Road going east from Highway 69. Truman Young said in interview on 19 October 1981 that his father's farm was one mile up Blackford Creek from the Young Cemetery & Highway 69; this farm appears to be the same farm that had been owned by Rev. Martin M. Young.

Rev. Martin & Margaret Young were parents of:

1. **Mary Young**, 'Polly', was born 1823-1824 Breckinridge County, KY. She married William Jarboe, 2 March 1843 Hancock County, KY. On their marriage record it was written that "Martin Young father of lady gave consent in person." They were married by her father, Rev. Martin Young, minister of the gospel. William, son of Jarret R. Jarboe & Elizabeth Jefferson, was born 11 December 1816 Breckinridge County, KY. William's brother, Benedict Jarboe, married Ruth McFall, a first cousin of Mary Young. William Jarboe first appears in the Hancock County, KY tax records in 1843. In the 1850, 1860 & 1880 censuses of Hancock County he is reported to be a farmer. William Jarboe died 28 March 1900 in Hancock County, KY and his widow, Mary Young Jarboe died on 28 November 1909 in Hancock County, KY. They were buried in the Jarboe Cemetery; also referred to as the Dink Clark Cemetery. The cemetery is about two miles east of the Young Cemetery and is one mile south of Dukes. On Highway 144 turn west onto the Young Road (gravel road). Turn into first lane on right. Lane dead ends in Hennen Hollow. Cemetery is on hill behind second house (near the former homes of Leonard McManaway and Jack Jarboe).

Funeral In Hawesville

Mrs. Hanna J. Young died at her home on West Main street, Tuesday afternoon at 12:20 o'clock. She was the wife of James Young and was a highly respected woman. She was 37 years of age. The remains were shipped to Hawesville yesterday and will be interred there to-day.

2. **John Young** was born in 1827 Breckinridge County, KY. He was nicknamed "Black John" Young to distinguish him from his first cousin, John H. Young (1831-1919), the son of Jacob, who also resided in Hancock County, KY and who was known by the nickname "Blue John" Young. Black John married his 1st cousin Maria Jane Young, 6 January 1848 Hancock County, KY. Maria, daughter of Michael Young & Nancy Bruner, was born c1830 Hancock County, KY. Her father signed his consent for Maria to marry. They were married by the groom's father, Rev. Martin M. Young. Black John first appears in the Hancock County, KY tax records in 1848. In the 1852 tax list he is joined by (Blue) "John H. Young". In the 1859 tax list the two Johns are followed by "son of Martin" and "son of Jacob". The 1853 tax list shows that he was taxed on 100 acres on Blackford Creek; he continued to own this land the remainder of his life. The 1850, 1860, 1870 & 1880 censuses of Hancock County report his occupation as farmer. Living in his home in 1870 were Martha Young (age 12) & Fannie Ashworth (age 19); Martha was a

daughter of Black John's 1st cousin, Martin V. Young; Fannie Ashworth married Black John's 1st cousin Davis T. Young in 1870. Black John died 8 January 1895 and his wife, Maria died between 1880-1897. His date of death is from estate settlement file of John Young, 1896, at the archives of the Hancock County Courthouse. On 24 January 1895 J. J. Rice was appointed administrator of the estate of John Young, deceased. The graves of John & Maria are unmarked. They were probably buried in the Young Cemetery. He died intestate and in order to have a division of his estate his son, Peter R. Young, filed a suit against the other heirs in the Hancock County Circuit Court. In March 1897 the court appointed commissioners to make a division. In Hancock County Division of Land book (p233) a division of the lands of John Young, deceased was filed in 1897. On 1 May 1897 the division was recorded in Hancock County deed book 28 pages 426-434. The land was divided among heirs – sons, Peter R. Young (1/3 share, 38 acres) & John D. Young, Jr. (1/3 share, 38 acres), grandchildren, Eliza Ann (wife of James R. Remington, J. H. Jarboe, Janie Jarboe & Noble Jarboe (the last four are children of deceased daughter, Nancy Ellen Jarboe, to them 1/3 share, 38 acres). Ira Remington (1890-1968), son of Eliza Ann (Jarboe) Remington (1868-1956), acquired 2 of the lots in the division of John Young's land. Ira in 1923 purchased 18 ¼ acres that had been granted to his mother and in 1929 he acquired the 38 acres that had been granted to Peter R. Young (Hancock County, KY deed books (58 p558, p560 & 626). Part of Ira Remington's farm included the Young family graveyard. In 1960 Ira Remington & wife, Stella, sold 3 tracts to Ezra Meador (Hancock County, KY deed book 66 p351). In this deed the following clause was included: "right to use Ezra Meador lane is reserved as means to get to "old Black John Young Cemetery". Florence Corley Kessans (1909-1998), said her great-grandfather, Black John Young owned the farm where the Young Cemetery is located. (Black) John Young and Maria Jane Young had the following children:

- **Nancy Ellen Young** was born 1849 Hancock County, KY. She married her 2nd cousin, Jarrett R. Jarboe, 13 December 1866 Hancock County, KY. [See Jarrett R. Jarboe family record on page 43]
- **Peter R. Lander Young**, 'Stoge', was born 4 July 1854 Hancock County, KY. This birth date is recorded in the 1852-1861 Kentucky Vital Statistics. Florence Corley Kessans (1909-1998), a granddaughter said her grandfather was called Stoge because he moved so slow. He is listed in the 1860, 1870, 1880, 1900, 1910 & 1920 censuses of Hancock County, KY. He married his 1st cousin Martha Jane Young, 29 January 1874. Martha, daughter of Martin V. Young & Narcissa Angel, was born 11 February 1857 Hancock County, KY. The 1910 census records that 9 children had been born to Martha 4 of whom were then deceased. Hancock Clarion, Hawesville, KY, Friday, 29 March 1929 p1:

MR. PETER R. YOUNG

Mr. Peter R. Young, better known as Stoge Young, age 79 years died at his home near the Hennen school house, March 14, of complications due to advanced age. During the early part of the winter he suffered a severe attack of the flu followed by pneumonia, at that time little hope was held out for his life, but backed by a strong constitution he stemmed the tide and was up and about until a few hours before the end came. Mr. Young was born and reared on the farm where he died. He was scrupulously honest and probably as industrious a man as could be found in the county. For several years he has suffered with his feet. Each year he raised a little patch of

tobacco and during the past summer he worked his little patch of tobacco by crawling on his knees. About a year ago he lost his home and contents by fire and since that time he and his wife have been living in a cabin on their farm and working out a living the best they could. He was a member of the Baptist Church since early boyhood.

Besides his wife he is survived by two daughters and two sons. Mesdames Obe Corley of Midway, and Annie Pleasant of Hennen, Messrs. Hubert Young, who is a teacher at the Indian Hill school in this county, and Owen Young of Tall City.

He was interred on Friday with interment in the Young Burying ground, near the home.

Cannelton Enquirer, Cannelton, IN, 13 June 1913 p5:

Ralph Young, aged 30 and single, was killed last Sunday night seven miles south of Hawesville, his body being found lying in the road Monday morning with a gunshot wound on the head. The story goes that young Young was too well acquainted with a neighbor's wife and it is supposed his personal popularity was the cause of his death. The authorities of Hancock county are looking after the matter.

- stillborn female born & died 29 August 1859 Hancock County, KY.
- **John David Young** was born c1867 Hancock County, KY. He married Susan E Remington, 9 October 1888 Hancock County. Susan, 'Sudie', daughter of James M. Remington & Artelia Miller, was born c1868 Hancock County, KY and died in 1897. Flora (Poehlein) Young Sturgeon (1901-1993), daughter-in-law of John

D. & Sudie said that Sudie died when her three sons were quite young, John D. could not care for them and they were divided among relatives, who raised them. On 3 December 1900 John David Young was tried on a writ of lunacy and was ordered to be committed to the Western Kentucky Asylum at Hopkinsville, KY. He is listed there in the 1910 census of Christian County, KY. Mrs. Sturgeon said it was rumored that relatives who were taking care of his children wanted his land and conspired to have him committed. Just before his death he was brought back to Hancock County, KY, where he died on 31 October 1910. He was buried with his wife in the Young Cemetery. John D. & Susan were the parents of three sons – **Claude Howard** (8 October 1891 – 30 April 1962, buried Elmwood Cemetery, Owensboro, Daviess County, KY, married Allie Lee Winstead); **Lonnie** (9 January 1893 – 9 April 1964, buried Greenwood Cemetery, Tell City, Perry County, IN, married Daisy Snowden); and **Herman** (10 February 1895 – 20 March 1962, buried Oak Hill Cemetery, Evansville, Vanderburgh County, IN, married Flora Natella Poehlein).

John D. Drove Him Insane.
John D. Young, of the Florence neighborhood, was tried on a writ of lunacy Monday and taken to Hopkinsville that night by Sheriff Miko Stephens, Jr. for treatment.
Young is in a pitiable condition, brought about, it is believed, by trouble. A year or so ago his wife died and later his house and contents burned. He has brooded over his losses until his mind is seriously impaired, though he is in no way violent. He leaves three little children behind, as well as a small farm encumbered with debt.

AT HIS WIFE'S GRAVE
Lay John Dave Young While His House Burned.
The Mt. Eden neighborhood was the scene of an unusual fire a few nights ago, says the Hawesville Clarion. The house of John Dave Young burned to the ground at an early hour and nothing was saved except what clothing he could carry out at one trip. Mr. Young's wife is dead and his children were absent at the time visiting a brother. He was alone and is unable to say how the fire started. There was no insurance on either the building or its contents, and he is said to have had one of the best furnished houses in that whole country.
Mr. Young has been grieving bitterly over the loss of his wife, who died two years ago. When the neighbors came in to the fire they found him at the graveyard nearby, lying on the grave of his wife. His pitiable condition and great grief is the talk of the entire neighborhood.

3. **Evaline Young** was born c1828 Breckinridge County, KY. She married her first cousin, Peter B. Young, 2 September 1847 Hancock County, KY. She died after 1892. [See Peter B. Young family record on page 118]

4. **Davis Young** was born 29 January 1830 Hancock County, KY. He is first listed in the Hancock County tax lists in 1852. He is listed in the 1850, 1860, 1870, 1880 & 1900 censuses of Hancock County, KY. He had a first cousin, Davis T. Young (1840-1907, son of Michael), who is frequently listed with an initial 'T' to distinguish him from Davis (1830-1908), who is never found with any initial. Nothing was found that confirms that Davis Young, son of Rev. Martin Young, also had a middle initial of T. Davis married Mary Taylor on 25 May 1853 in Hancock County, KY (Hancock County marriage book 1, p75). On the marriage it was recorded that "man of age and John Nix stepfather of young lady gave consent in person." They were married at the residence of John Nix by Rev. Martin Young, the groom's father.

Hancock County, KY Marriage Book 1, p75:

A record of their marriage was also recorded in the 1852-1861 Vital Statistics kept by the state of Kentucky. On this record it was reported that Davis Young was age 22 & was born Hancock County, KY and Polly Taylor was 18 & born Washington County, KY. Mary Taylor, also was called by the nickname Polly, was born in April 1834 Washington County, KY. Mary, was the daughter of Elizabeth Young, who later became the wife of John Nix. Elizabeth is believed to be a daughter of Wolf John Young, an older brother of Davis (see page 21). Wolf John Young remained in Washington County after his parents and siblings removed to what became Hancock County, KY. If Mary was a granddaughter of Wolf John Young she would have been a first cousin once removed to her husband, Davis Young. Davis served in the US home guard during the Civil War. He was mustered into company D of the Green River Battalion on 1 May 1865 as a corporal and served until 23 August 1865. Also serving in the same outfit were brothers Nathaniel & Jacob Young, nephew, Martin Jarboe, great-nephews, Francis M., Jarrett R. & George W. Jarboe & Samuel McFall. Davis Young was a farmer. Beginning with the 1857 Hancock County tax list Davis Young is reported as owning 30 acres on Blackford Creek and in 1871 he added an adjoining 102 acres. His farm was one mile north of Patesville and bordered on the farm of his father (Hancock County, KY deed book 36 p59). The 1900 census shows that he owned his own farm free of mortgage. Mary Taylor Young, wife of Davis, died in Hancock County, KY on 24 January 1892. Davis Young died in Hancock County, KY on 5 August 1908. Davis and Mary were buried in family cemetery on their farm; the cemetery is also referred to as the Holmes Cemetery.

A very sad accident happened to the little four-year-old girl of Forest Rice, while playing in the house around the fire. The little one's clothes caught from the blaze and the mother, who was absent from the room at the time, hearing the screams of the little child hastened to its assistance, but was too late to save the unfortunate little child from a burn that resulted in its death last Saturday night. The remains were interred on last Saturday evening in the Rice burying ground near Mt. Eden. Mr. Rice lives in the Mt. He married Nancy Catherine Mathews, 15 March 1855 Hancock County, KY. They were married by his father, Rev. Martin M. Young. A record of their marriage in the 1852-1861 Kentucky Vital Statistics records his birth place as Hancock County, KY and hers as Green County, KY. Nancy, daughter of Thomas Mathews & Lucy Harlow, was born 15 May 1838 Green County, KY. Her father was listed in the 1840 census of Green County, KY and 1850 census of Hancock County, KY. Nancy died 20 July 1861 Hancock County, KY. She and two of her infant daughters have monuments in the Young Cemetery, Hancock County, KY; she died six weeks after the birth of her daughter, Martha. William M. Young married Nancy's sister, Mary Elizabeth Mathews, 17 September 1865 Hancock County, KY. Mary was born 10 September 1842 KY. William M. Young died 14 July 1882 Hancock County, KY, where he has a monument in the Young Cemetery. His widow, Mary E. married William Oliver Spencer, 4 February 1884 Hancock County, KY. William, son of Cornelius Spencer & Dorothy Best, was born 8 January 1839 and died 17 April 1918 Daviess County, KY; buried Blackford Baptist Church Cemetery, Hancock County, KY. William O. Spencer was married four times – Artelia H. Hale, Mary Jane Thornton, Mary E. (Mathews) Young and Emma Dora (Lester) Best. Mary E. Young, widow of William M. Young, on 29 October 1882 purchased tracts of 50 & 12 ½ acres from Patrick & Nancy Jane Thornton (Hancock County deed book 21 p393). The land was located on the Hawesville-Pellville Road near Floral in Hancock County, KY. Patrick Thornton (c1826-after 1880), his wife, Nancy Jane Mathews (1824-1870) and their daughter, Mary Jane (Thornton) Spencer (1846-1880), wife of W. O. Spencer, were buried in the Thornton – Stephens Cemetery, just east of Floral, in Hancock County, on the Randall Stephens farm. Mary E. (Mathews), wife of William M. Young & William O.

Spencer, died 27 September 1894 Hancock County, KY, where she has a monument in the Thornton-Stephens Cemetery, near Floral. Owensboro Messenger, Owensboro, KY, Friday, 28 September 1894 p1 – “Died While Cooking Dinner: Mrs. William Spencer dropped dead Tuesday near Pellville, Hancock County. Death is supposed to have resulted from heart disease.”

William M. Young (1836-1882)

William M. Young by his first wife, Nancy Catherine Mathews had 3 known children and by his second wife, Mary Elizabeth Young, he had 5 known children:

- **Thomas Lafayette Young** was born 1855-1856 Hancock County, KY. He is listed in the 1860, 1870 & 1880 censuses of Hancock County, KY. In the three censuses he was reported to be 4, 14 & 24 years old. He married Georgia Ann Clark, 4 July 1878 Hancock County, KY. Georgia, daughter of William M. Clark & Martha Elizabeth Tift, was born c1859 Hancock County, KY and died during 1880-1889. At a court of 3 April 1882 it was recorded that Thomas L. Young is exonerated from paying poll tax for the year 1881-1882 and thereafter, “he being disabled by losing an arm and being sickly” (Hancock County Order Book 11 p197). Thomas L. Young married second Dora Addie Spencer, 9 May 1889 Daviess County, KY at the residence of her father. Addie, daughter of William Oliver Spencer & Mary Jane Thornton, was born 20 October 1874 Daviess County, KY. Thomas L. Young died 1890-1895. In the 1896 school records for Hancock County his wife, Mrs. Addie (Spencer) Young, is shown as the guardian of their son, Herbert, age 6 and since Thomas is not listed he probably was then deceased. In the 1897 Hancock County school records Addie’s father, William O. Spencer, replaces her as the guardian of her son, Herbert Young. Herbert Young

in 1900 was living with his grandfather, William O. Spencer. Addie (Spencer) Young married Jefferson Davis Harrison (1861-1911), 1897-1898, and in 1900 they were living Owensboro, KY.

Owensboro Messenger, Owensboro, KY, 29 October 1897 p4:

Caught Dead to Rights
Mrs. Addie Young, a grass widow who has been cavorting through the country to an extent that made her distasteful to the peace and dignity of the commonwealth, was caught dead to rights asleep in the woods lying peacefully by the side of her sweetheart Sunday night, says the Hawesville Plaindealer. She was brought to the city and lodged in jail.

Owensboro Inquirer, Owensboro, KY
28 October 1897 p1:

ON THE WARPATH.
A Pellville Man Resents the Arrest of a Bad Woman.
PELLVILLE, Ky., Oct 28.—This morning while Bee Spencer was driving home from his farm Jeff Harrison overtook him and began firing on him with a pistol. Spencer pulled his gun and began firing when his team took fright and ran off, throwing him out. He entered his yard where Harrison attempted to get at him again. He fired another shot at Jeff, but none of the shots took effect. Harrison then started up the street, meeting Hillary Bruner, whom he proceeded at once to pound up in style. Hillary is a very small man and doubtless would have been used up if friends had not interfered. The affair all grew out of the arrest of the notorious prostitute, Addie Young, who was in company with Harrison when taken. Both Spencer and Bruner are highly respected Christian gentlemen. Further trouble is expected at any time, as there were thirteen good citizens with the sheriff when he went into the woods after the woman.

Owensboro Inquirer, Owensboro, KY
19 November 1897 p6:

The Woman Came Back
PELLVILLE, Nov. 17.—W. O. Spencer, the father of Mrs. Addie Young, the notorious woman who was run out of the country some weeks ago, got a letter from her purporting to be from a house of refuge in Louisville, in which she told him in affectionate words how she had reformed, and begging his forgiveness. The old man, who is a devout christian, was somewhat elated over the letter, but on returning home found to his utter surprise that the said Ad had arrived about an hour before and had effectually cleaned up the premises. She had started all the occupants of his house and was reigning supreme over the entire estate. It will be remembered that this same woman was arrested a few weeks ago by a posse of men under Miles Fuqua and landed in the Hawesville jail, after which she was tried and fined \$50 for her outrageous conduct. The fine was suspended, with the understanding that she was to leave the country. There has already been one shooting scrape on her account, and if she remains in this vicinity there will doubtless be more trouble, as the good citizens have sworn vengeance against her.

In 1909 Addie Young's father, William O. Spencer wrote his final will (Daviness County, KY Will Book F p622, will recorded 26 June 1918). He left his property to his widow, Emma, and four living children, one of whom was "Addie Young (or her heirs)". The wording suggests he did not know if Addie was living or dead. In 1924 a deed was recorded by the heirs of William O. Spencer deceased, among those named were Herbert Young & wife Arkie of Rockport, IN, his mother, Addie, was not named (Daviness County deed book 112 p467). Thomas L. Mrs. Mattie Norman of Henderson, formerly Miss Mattie Young, of this place, was buried here in the Stephen's grave yard Wednesday, Rev. A. L. Rice conducting the funeral service.

Henderson Daily Gleaner, Henderson, KY,
Industrial and Historical Edition, 23 March 1913:

Dr. George W. Norman, whose office and residence is 214 Third street, Henderson, Ky., is among the able physicians of his state and one of the foremost cancer specialists of the South. Mrs. Norman, who in an efficient assistant in her husband's work, is a woman of broad sympathies and a writer of marked ability.

It has become a matter of history that Kentucky is the birth place of more men and women who have become noted for some special work or attainment than can be found in any other state. While those abroad are holding their own in the field of progress, the work done at home compares favorably with that of other states. Our people keep abreast of the times, and in no other class do we see this better exemplified than among our physicians and surgeons. They are to the front with new theories and discoveries which add appreciably to the world's store of knowledge.

Dr. George Wesley Norman, one of Kentucky's ablest physicians, considers his success in the treatment of clinical diseases due primarily to a belief that a physician could be as productive in his line of work as in any other profession. With this conviction, and a varied experience from his practice, Dr. Norman has evolved his own theory about some diseases that afflict mankind.

Dr. Norman was born and reared In Henderson county. His father, the late Rev. Joseph C. Norman, was a beloved minister in the Methodist Episcopal church, and a man of superior mental attainments. At an early ago Dr. Norman joined the Confederate army, but was captured and held a prisoner until near the close of the war, when he was released by special order from President Lincoln. After receiving a liberal education, he then graduated from the Kentucky School of Medicine in Louisville and selected one of the best locations in this county in which to practice his profession. For twenty years Dr. Norman was one of the leading spirits of Smith Mills, not alone in medicine but every activity which advanced the interest of his community. He was one of the best representatives Henderson county ever sent to Frankfort, and a number of his bills are incorporated into our constitution. It was due to his interest in the educational advancement of his state that saved the University at Lexington from being wrecked by its enemies. These labored to have the income tax which the state paid the college abolished, and have it depend upon endowments, or shift for itself. With a firmness which has always characterized him in his dealings with others, where right was questioned, the State College was saved and now ranks with the best in our country.

Mr. Norman has spent the last few years in special research, and in this work he has an efficient assistant in his wife, whose ability enables her to give the aid and encouragement so necessary in the successful prosecution of such work. After giving forty years to the study and relief of suffering humanity, Dr. Norman is now qualified in the true sense of the word to be of great service in his profession.

7. **Agnes Young** was born in September 1837 Hancock County, KY. Only the years of birth and death are on her gravestone and a death certificate could not be found. The 1850 census of Hancock County records her age as 12 years and the 1900 census gives her birth as September 1837. She married her first cousin, John H. Young, 21 December 1854 Hancock County, KY. On their marriage it was written that Martin Young father of lady gave consent in person. They were married by her father, Rev. Martin M. Young. John was called "Blue John" to distinguish him from Agnes' brother, (Black) John Young. Blue John, son of Jacob Young & Charlotte Bruner, was born 9 October 1831 Jefferson County, IL. A record of John & Agnes marriage was recorded in the 1852-1861 Kentucky Vital Statistics – it recorded that John was 22 & born Jefferson County, IL and Agnes was 17 & born Hancock County, KY. Blue John first appears in the Hancock County, tax lists in 1852; in the 1852-1854 lists he appears as "John H. Young". In the 1859 tax list after his name it is written (son of Jacob) and in the 1866, 1867 & 1868 tax lists after his name is written (Blue). John & Agnes are listed in the 1860, 1870, 1880, 1900 & 1910 censuses of Hancock County, KY. He served in the Union army during the Civil War. He enlisted in company D of the 27th KY Infantry on 20 October 1861. Enlisting in the same outfit on the same day was his brother, William M. Young, cousins, Martin V. Young, and, Davis T. Young, John Nix & John Jarboe. On 1 May 1863 he was promoted to a corporal and 29 March 1865 he was mustered out of service at Louisville, KY. He was granted a pension for his military service in 1890 (Owensboro Messenger, Owensboro, KY, 17 October 1890 p4 – "John A. Clark, Fordsville, John Young, Hawesville, and Francis M. Hatler, Rosine, have been granted pensions".) In 1865 John

purchased tracts of 59 acres (from Joel C. Jackson) & 30 acres (from Martin Young, Sr.), both deeds identified him as "son of Jacob Young" (Hancock County, KY deed books 12 p529 & 13 p184). On 11 October 1870 John Young & wife Agnes, and William M. Estes & wife Cynthia E., donated one & ½ acre to Jesse Rice, Sr., Charles Hale & Andrew L. Rice, trustees of the United Baptist Church, called Mount Eden, it was bounded on the west by the Hawesville & Hartford Road (now Highway 69). One acre of the lot was from (Blue) John's Young farm on the north side of lot and the other ½ acre was from Estes' land. On this lot the Mt. Eden Baptist Church was erected. The Blue John Young farm bordered on the Mt. Eden lot. The Mt. Eden Baptist Church was officially organized in 1870. Its parent church was the Blackford Baptist Church. In the Blackford Church minutes it was noted that – Granted a request for our Minister and Deacons to help constitute a church at "Rice School House" first Saturday in March, 1870 (Mt. Eden Church). The following members were dismissed from Blackford Church by request at same business meeting to join the new church: T. H. Rice, A. L. Rice, Jesse Rice, Jr., Jesse Rice, Sr., James W. Rice, James W. Wine, James S. Rice John Nix, N. B. Comstock, Charles H. Rice Isaac E. Rice George W. Rice, D. L. Rice, Nat Young, Jesse L. Rice, Elmina Rice, Samantha J. Rice, Susan E. Wine, Eliza W. Comstock, Mary A. Hyde, Armanda Rice, Carolyn Rice, Carolyn M. Rice, Charity Rice, Elizabeth Rice, Mary Rice, Martha Lynch, Mary J. Rice. The church has always been located at its present site. Three different buildings have housed the congregation. The original building burned in March 1891. Following the fire, the church went without the service of a pastor for 2 years. During the time that construction was underway for the new house of worship the congregation met in the old Rice School house which was located on the property later owned by Calvin Young (1877-1960). A new church was dedicated in 1895. On 11 September 1937 plans for a new church were inaugurated. The old building was torn away and while construction was proceeding the congregation again met in the Rice School House. The new church, which forms the present auditorium, was built for \$2,300. It was dedicated 30 April 1939. John & Agnes Young have one of the most impressive monuments in the Mt. Eden Baptist Church Cemetery. Agnes died in 1914 and John on 15 October 1919 in Hancock County, KY. His death certificate recorded that he was born Illinois and was the son of Jacob Young.

- **Margaret Jarboe** was born c1865 Hancock County, KY. In the 1870 & 1880 Hancock County, KY censuses her ages were reported as 4 and 14. She died in April 1882 Hancock County, KY. She was not married. She had a child, **Magnolia** (Maggie Nola), who was born out of wedlock on 21 March 1882. On 29 June 1896 a suit was filed by Horace & Susan Young against Samuel Wheatley in the Hancock County, KY Circuit Court (bundle 190, file #1319, box 38, in the Archives of the Hancock County Courthouse). In their petition it was stated that in October 1895 Samuel Wheatley did without their consent have carnal knowledge of Magnolia Young, who is in their care. As a result Magnolia is now pregnant. She is the granddaughter of Susan Young & step-granddaughter of Horace Young. Magnolia was born out of wedlock on 21 March 1882 to the daughter of Susan Young by a former husband. When Magnolia was only about one month old her mother, Margaret, died. Susan & Horace Young have raised Magnolia as their own child. Horace & Susan requested damages in the sum of \$5,000. In the court's final decision Wheatley was ordered to pay \$50 & court costs to Horace & Susan Young. Samuel L. Wheatley, son of Thomas M. Wheatley & Catherine Gilmore, was born 12 August 1870 Hancock County, KY. Samuel married Dixie Nickleson, 21 January 1897 Hancock County, KY. Samuel L. Wheatley died 28 September 1925 Breckinridge County, KY, where he was buried in the Cloverport Cemetery. Magnolia appears with the Young surname, the name of her adoptive parents. In the Hancock County, KY school census records Magnolia Young was listed as a student at the Patesville school; Horace Young was listed as her guardian. In the list of 1894 she was reported to be age 12, in 1896 age 14, & in 1897 age 15; in the next available list (1899) she was not listed. Magnolia Young (Jarboe)'s son by Samuel Wheatley, Arnold Young, was born 17 August 1896 Hancock County, KY. Magnolia Young married William Wilford Nix, 26 September 1898 Rockport, Spencer County, IN. Magnolia used her sister's married name of Marlow on her marriage record. William W. Nix & Magnolia were 2nd cousins once removed, her great-grandfather, Martin Young, and his grandfather, Michael Young, were brothers. William W., son of James Nix & Nancy Jane Young, was born 16 July 1870 and died 26 March 1922 and

was buried Bethlehem Methodist Church Cemetery, Daviess County, KY. He also married Eva Dora Bruner (1875-1960), 18 November 1890 Hancock County, KY (divorced 1895) and Rebecca Ellen Rayman (1900-1970), 29 October 1900 Ohio County, KY. William Nix and wife, Maggie N. (born March 1882), are listed in the 1900 census of Daviess County, KY. In their home was listed a stepson, Arnold Wheatley (born August 1896). In the Patesville community column of the Hancock Clarion (Hawesville, KY) newspaper of 7 July 1900 the following item was printed – "Mrs. Nora [sic] Nix is not expected to live. She has consumption. She is with her grandmother, Mrs. Horace Young." Magnolia Nix died prior to 29 October 1900 when her husband, William W. Nix, remarried. In the 1903 & 1904 Hancock County school census records Arnold Young is listed as a student in the Patesville school. In 1903 his guardian was listed as Horace Young and in 1904 his guardian was shown as Susan Young. In both lists Arnold Young was listed as being born on 17 August 1896. Arnold Young married Elma Whitman, 26 April 1918 Mount Carmel, Wabash County, IL. He died 3 March 1969 Evansville, Vanderburgh County, IN and was buried Williams Cemetery, Pike County, IN. Arnold & Elma Young were the parents of – Juanita, Theodore Roosevelt, Kingsley Lincoln, Amy Golden, Virginia Lucille, Edna Maxine, Marvin Leon, Barbara Jean, Arnold, Jackie Lynn & Glenn MacArthur).

- **Owen Young** was born 5 May 1887 Hancock County, KY and died 20 June 1943 Owensboro, Daviess County, KY. [See Owen Young family record on page 101]

9. **Jacob Henry Young** was born October c1847 Hancock County, KY. In the 1866 tax list of Hancock County "Jacob Young son of Martin" is listed and it was indicated that he was not yet age 21. The first tax list where it was shown he had attained the legal age of 21 is the 1869 list. He is listed in the Hancock County censuses of 1850 (age 3), 1860 (age 13), 1870, 1880 & 1900. Jacob served as a private in the home guard of the Union army during the Civil War. He was mustered into company D of the Green River Battalion on 1 May 1865 at Hawesville, KY and was mustered out on 23 August 1865 at Cloverport, KY. Several of his relatives served in the same unit. Jacob H. Young married Julia Ann Nix, 11 April 1869 Hancock County, KY. They were first cousins once removed. Julia Ann, daughter of John Nix & Elizabeth Young, was born October 1850 Hancock County, KY. In the 1880 census he was enumerated immediately preceding the home of his parents. In 1889 he sold his interest in land owned by his father, Martin Young (Hancock County, KY deed book 25, p11). The 1900 census records that Jacob Young was a farmer and owned a farm. Jacob H. Young died 11 June 1902 Hancock County, KY.

Owensboro Inquirer, Owensboro, KY, Friday, 13 June 1902, p5,

Patesville community column dated June 11:

this week...News has just reached us that Mr. Jacob Young died at 6 o'clock this morning. He leaves a wife, two children and a host of relatives and friends to mourn their loss. Mr. Young was about 60 years old, a consistent Christian and a member of the Baptist church. We extend our sympathies to the bereaved ones....

Julia Nix Young was a member of the Patesville Baptist Church in Hancock County in 1894. She is listed as a widow in the 1910 & 1920 censuses of Hancock County, KY. The 1900 & 1910 censuses record that 8 children had been born to Julia but only 2 were then living. Julia Young died 14 August 1921 Hancock County, KY. Owensboro Messenger, Owensboro, KY, Friday, 19 August 1921 p5 – “Deanfield: Mrs. S. Clark, of this place, was called to the bedside of her mother, Mrs. Young, who was seriously ill and died Sunday morning. Mrs. Young’s home was between Patesville and Hawesville.”

Julia Ann (Nix) Young (1850-1921)

Jacob Henry Young and Julia Ann Nix were the parents of 8 children:

- **William James Young**, ‘Bud’, was born 7 January 1874 Hancock County, KY. This birth date is recorded in the 1874-1878 Kentucky Vital Statistics. The 1900 census gives it as in June 1874. He is listed by his middle name in the 1910 census; it is hard to decipher, but looks like James. He is listed in the 1880, 1900, 1910 & 1920 Hancock County, KY censuses. In 1920 his mother was living with him. He died of uremia on 22 August 1925 Hancock County, KY. He never married. Ira Remington the informant on his death certificate reported that he was born on 15 May 1880, which is not too reliable since he was about six years off on his correct age. An obituary stated he was buried at the “Davis Young Cemetery.” Since he was buried there his parents were most likely also buried there.

Hancock Clarion, Hawesville, KY, Saturday, 29 August 1925 p1 – “W. J. Young, age 48 years, died at his home, Saturday morning at 10 o’clock of dropsy. He had been in bad health for several years, and for the past few months had been very ill. He is survived by one sister, Mrs. Lizzie Clark. The remains were laid to rest in the Davis Young graveyard in the presence of a large crowd.”

- **Martin Young** was born 1878-1879 Hancock County, KY and died in January 1880 Hancock County, KY. His death is recorded in the 1880 federal census mortality schedule (member of household #170). He was one year old and he died of an enlargement of the liver.
 - **Lillian Young** was born 1880-1881 Hancock County, KY. She appears to have died during 1896-1897 or at least prior to 1900. In the Hancock County, KY school records during the years of 1894, 1895 & 1896 Jacob Young is listed as being the parent or guardian of Lillian (Lillie) Young (age 14 in 1894) and Lizzie Young (age 10 in 1894). In 1897 school census Jacob is still listed with Lizzie but Lillian no longer appears.
 - **Elizabeth Young**, 'Lizzie', was born 13 June 1884 Hancock County, KY. In the Hancock County, KY school records she is shown as being a student at the Hennen School during the years of 1894-1904. She married Samuel R. Clark, 29 January 1909 Hancock County, KY. Sam, son of John Alfred Clark & Mary Martha Hall, was born in 27 August 1887 Hancock County, KY. He is listed in the 1900 & 1910 censuses of Hancock County, KY. Owensboro Messenger, Owensboro, KY, Thursday, 26 March 1914 p6 – "Deanefield, Ky., March 25: Mr. Sam Clark, of Patesville, moved into the Joe Mills property on Thursday." Owensboro Messenger, Owensboro, KY, Wednesday, 20 May 1914 p6 – "Deanefield, Ky., May 19: Mrs. Sam Clark and mother, Mrs. Young went to Hartford on Saturday to visit Mr. John Nix." In 1917 Sam Clark was employed at the Central Coal & Iron Company at Deanfield in Ohio County, KY. Lizzie Clark and her two children are listed in the 1920 census of Ohio County, KY and 1930 census of Cannelton, Perry County, IN. The 1930 census and her death certificate reports she was still married. Her husband was last found in 1917. Lizzie died 18 March 1939 Cannelton, Perry County, IN, where she was buried in the Cliff Cemetery in Cannelton. Children – **Steven Clinton** (17 December 1909 – 30 April 1964, buried Cliff Cemetery, Cannelton, Perry County, IN, married Dollie A. King); and **Emma Mae** (21 December 1918 – 24 October 2002, buried Cliff Cemetery, Cannelton, Perry County, IN, married _ Gelarden, George Hester Allen & William Howard Minton, her obituary reported no survivors).
 - **Martin Young** was born 1890-1891 Hancock County, KY and died 1897-1900. In the 1897 census of the Hennen school in Hancock County, KY Jacob Young is listed as the parent or guardian of Liza Young, age 13, and Martin Young, age 6 and in the 1900 census Jacob is shown only with Lizzie Young, age 15.
 - three others died infancy.
10. **Nathaniel Young**, 'Nat', son of Rev. Martin M. & Margaret Young, was born 25 April 1839 Hancock County, KY. He is listed in the 1850, 1860, 1870 and 1880 censuses of Hancock County, KY. In the 1850 (age 10) & 1860 (age 20) censuses he was living with his parents. In the minutes of the Blackford Baptist Church in Hancock County it was recorded that on 22 December 1855 Nathaniel Young was baptized. Other relatives baptized on that day included Davis Young, Horace Young, John Nix, James Nix and George Jarboe. Nathaniel first appears in the Hancock County tax lists in 1862. He was a farmer. Nathaniel served in the Union army during the Civil War. He enlisted on 6 November 1861 in company E of the 3rd KY Cavalry, he was mustered in as a corporal at

Calhoun, KY on 13 December 1861. He was granted a certificate of disability for discharge due to an injury of the left leg by which exfoliation of the tibia has occurred and chronic inflammation. He was present during the Battle of Shiloh, TN on 6 & 7 April 1862. In December 1862 he applied for a Certificate of Disability for Discharge. He testified that:

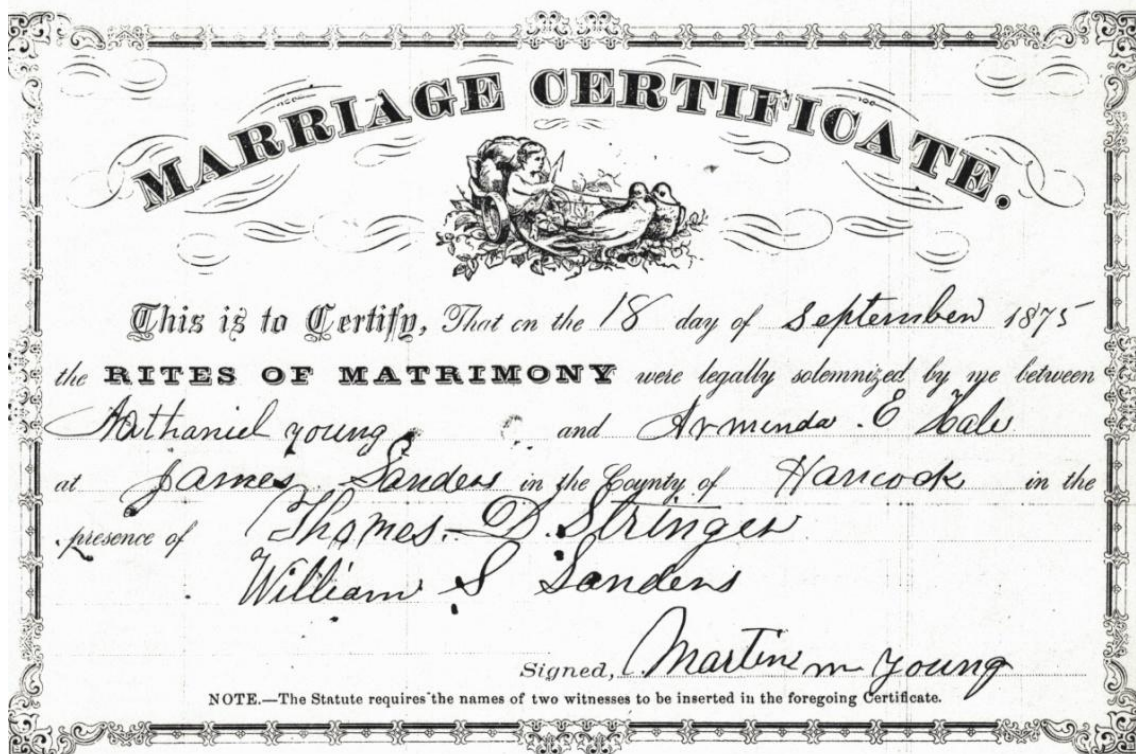

“while in the service, aforesaid, and in the line of his duty near Columbia, Tennessee on or about the 8th day of April 1862 whilst lifting a wagon he received a bruise on his left leg between the ankle & knee joint which by exposure incidental to a camp life induced chronic inflammation of said leg, the inflammation first made its appearance near the lower extremity of the tibia since which time it has been steadily advancing upwards, attended at time with exfoliation and extrusion of a number of splinters of bone, at this time there is a swelling in front of the leg with small openings or running sores clearly indicating a disease of the bone and that this disability is permanent. That he was a farmer at time of enlistment and earning a living by said occupation, but is now unable to follow said occupation or any other that requires manual labor by which he can obtain a total subsistence. That he lived over thirty miles from a Government Surgeon and for further evidence he refers to the surgeons certificate of disability on file in the adjutant generals office, Washington City.”

The surgeon noted that he was quite lame and entirely unfit for duty and he thought his disability was permanent. He was hospitalized at the general hospital in Louisville, KY. He was honorably discharged at Louisville, KY on 9 January 1863. He was described as being age 22, 5 foot 9 inches with blue eyes and dark hair. He filed for an invalid pension on 13 May 1864 due to the fact that he had been a farmer when he enlisted and is now unable to perform manual labor of that occupation. His pension was approved. He also served as a sergeant in the home guard unit, Green River Battalion (company D), from 1 May 1865 until 23 August 1865. His wife, Arminda, filed for widow's pension and it was granted on 2 October 1886. In her application she reported that her husband had also contracted disease of the lungs due to exposure at the Battle of Shiloh.

Nathaniel Young (1839-1884). This portrait suffered water damage and the family had it retouched and the result was that the picture resembled a drawing instead of a photo.

Nathaniel Young was one of the founding members of the Mt. Eden Baptist Church in Hancock County. In the minutes of Mt. Eden's parent church, Blackford Baptist Church, it was recorded that on 26 February 1870 letters of dismission were granted to 28 members to form a new church at the Rice school, which is to be constituted on the first Saturday in March next. Among them were Nathaniel Young and his cousins, Davis T. Young and John Nix. Nathaniel married Hannah Jane Young, 4 October 1861 Hancock County, KY. They were married by his father and both of their fathers gave their consent in person. They were first cousins. Hannah, daughter of Michael Young & Nancy Bruner, was born 4 September 1838 Jefferson County, IL. Hannah's birth date was recorded in a Nix – Young family bible. Copies of the family pages in the bible were sent by Clifton H. Nix (1925-1988), of Cook Station, MO to Mildred Frances White of Cloverport, KY and to the Hancock County Archives in Hawesville, KY. Hannah in her parents' home in the 1850 Hancock County census was reported to be 12 years old and born in the state of Illinois. A record of Hannah & Nathaniel's marriage was recorded in the 1852-1861 vital statistics kept by the state of Kentucky. On this record Hannah was reported to be 21 years old and born in Illinois. Hannah Jane Young died in October 1874 Hancock County, KY. Her date of death was recorded by Nathaniel's widow, Arminda, in 1886, on her application for his Civil War pension. Nathaniel Young married Arminda Etter Hale, 18 September 1875 Indian Hill, Hancock County, KY. They were married by his father at the residence of her stepfather, James Sanders.

Arminda was the daughter of William Hale, Jr. & Ruth Elmira Bruner, and granddaughter of William Hale & Catherine Snider and George Washington Bruner & Mary Davis. Arminda was born 5 January 1857 Hancock County, KY. The same date appears on a birth record in the 1852-1861 Kentucky Vital Statistics and on her death certificate. Her family in the 1860 census of Hancock County are listed in the Floral – Indian Hill area. In this census she is listed as Amanda. Her grandchildren said her name was “Arminda Etter” not Amanda. In the pension file of Nathaniel Young her name appears as Arminda Etter Young. Her uncle, Thomas Hale, was killed at his home in Hancock County, in 1863 by Confederate marauders. Another uncle, Charles Hale, of the Hancock County home guard, in 1865 in a skirmish near Patesville in Hancock County shot the notorious Confederate guerilla Bill Davison, who died a few days later; about a month before the engagement Davison had burned the Daviess County Courthouse in Owensboro, KY. Nathaniel Young in the Hancock County’s deed books is never shown as buying or selling land. Being in debt he obtained a mortgage on his tobacco crops in 1876 & 1877. On 10 October 1883 being in debt to Vest & Smart of Cloverport he mortgaged to them his interest in the real estate that had been owned by his father; the same on which his father had lived at the time of his death (Hancock County, KY Mortgage Book 8, p15). Nathaniel died on 24 April 1884 in Hancock County, KY. He was buried in the Young Cemetery, Hancock County, KY. Several granddaughters reported that his first wife, Hannah Jane, and two of their infants were buried in unmarked graves near him in the Young Cemetery.

Two suits were filed in the Hancock County Circuit Court to deal with Nathaniel Young's interest in the farm of his father (case file #2345, Davis Young et al vs. heirs of William Young deceased & heirs of Nathaniel Young deceased, filed in 1901; and case file #1933 Jacob Young et al vs. Martin Young, Jr., filed in 1908). The suits resulted in deeds being recorded in 1894 & 1908 whereby the heirs of Nathaniel Young, deceased - Arminda E., William, Joseph & Jacob Young, transferred their interest in the former farm of Nathaniel's father, Martin Young (Hancock County, KY deed books 27 p68 & 36 p233). Nathaniel's nephew, Martin Young (1863-1947, son of Davis & Mary) became the purchaser of the farm.

Arminda E. Young on 13 December 1886 purchased two tracts of land containing 70 acres from Louis Petrie & wife, Sarah E. (Hancock County, KY deed book 23 p336). She paid \$700. The land was earlier owned by Bryant & John Glover. The land is on the north side of the Indian Hill Road a short distance east of the Hawesville-Pellville Road and the Glover family cemetery that is at the northeast side of the intersection of the two roads. The abandoned house, the first house on right, was still standing in 1980. Arminda was living here on the same land in 1894 when she obtained a mortgage on the property. While she was living on the Glover place during the 1890's Neezer Young resided with her. Neezer was a nickname for George Adam Young (c1851-c1899). Neezer, the son of George & Sarah Young, was a first cousin of Nathaniel Young. Like Arminda he was

also a widower. The Hancock County school records show that in 1897 Neezer's daughter, Lizzie, and Arminda's son, Jacob, were students at the Floral school. Arminda and her siblings had earlier attended the Floral School located on the Hawesville-Pellville Road about a mile south of the Indian Hill Road.

INDIAN HILL.

This hill is six miles east of Knottsville, and is now in Hancock County. It is oblong in shape, one and one-half miles long, and from one-fourth to one-half mile in width. It is very high, and furnishes a beautiful view of the surrounding country and of Hardinsburg, a distance of twenty-eight miles. There were formerly three ovoid or egg-shaped stone houses or huts on the hill, all in a straight line, about 250 yards equidistant; only two of them remain. They are about twelve feet high, and have neither doors nor windows. One of them was torn away by George W. Bruner, who says that the foundation was deep in the earth. He dug down six or eight feet, but failed to reach the base, and abandoned further search. The pioneers supposed that these strange specimens of architecture were built by Indians, and, finding indications of the tomahawk in the trees there, named it the Indian Hill—a name which it will probably continue to bear until the end of time. “Uncle” Henry Hazel, who gives this information, has been on the top of the huts and looked down the aperture in the center, and found the floors covered with weeds and grass.

Arminda Young is listed in the 1900 census of Ohio County, KY; she was residing in the Old Bethel Church neighborhood in the Rosine Precinct, where she was renting. Living with her then were her sons, Joseph & Jacob and Joseph's wife, Hester.
