

Patton Family of Ohio County, KY

By Jerry Long

The following family record had been in the bible of Viola H. (Patton) Chapman (1886-1965), a native of Ohio County, KY. Viola was the daughter of Granville Hord Patton (1856-1943) & Melissa J. Hudson, granddaughter of Granville Patton (1822-1856) & Agnes Hord Bell, and great-granddaughter of John William Patton (1799-1859) & Henrietta Hudson. Viola Chapman late in life gave the bible to her first cousin, Ernest James Patton (1888-1969), son of James Thomas Patton (1854-1931) & Sallie M. French. Upon the death of Ernest the bible descended to his son, Clyde Patton (1914-1990). This writer interviewed, Clyde Patton on 25 November 1984. The bible subsequently went to Clyde's son, Tommy Patton, of Dallas, TX. In the following transcription of the bible record information in brackets are annotations added by Jerry Long.

In the biographies of two grandsons of John Patton (born 1 May 1771) in the book, Kentucky: A History of the State (1885) it is stated that John was a native of Virginia and he and his wife, Delilah Vance, came to Kentucky in 1800, and settled in Allen County, where they resided until their deaths. John is listed in the 1810 census of Warren County, KY; he was residing in the part of Warren County that became Allen County upon its formation in 1815. He is listed in the 1820, 1830, 1840 & 1850 censuses of Allen County, KY.

John Patton died in 1856. He wrote his will on 14 July 1855 and it was recorded in Allen County, KY on 10 November 1856. He left to his wife, Delila Patton, his entire estate during her life. At her death it was to be left to his children, who were named as – Lucy Sears, Mary Belle, Nancy Oliver, John Patton, James Patton, Berry Patton, Granville Patton and Thornton Patton. “My son William Patton is not named as he has already had his full share.” He appointed his wife the executor of his estate.

John Patton’s wife, Delilah (Vance), was born 23 April 1792 and died in Allen County, KY in December 1859. The following marriages of John & Delilah’s children were recorded in Allen County, KY – Lucy (born c1797) to Henry Sears, 1 May 1820; William (born 8 June 1793) to Lettie Spilman, 6 October 1818; Mary (born c1807) to Jefferson Bell, 23 August 1845; and Berry (born c1811) to Amanda J. Mary & Jefferson Bell (1800-1852) are listed in the 1850 census of Ohio County. Nancy Patton, a granddaughter of John & Delilah also made Ohio County her home. Nancy (1822-1886), daughter of William Patton & Lettie Spilman, married David Henry French in Allen County, KY on 9 January 1851. Nancy is listed in the 1860, 1870 & 1880 censuses of Ohio County, Nancy French died on 8 June 1886 and was buried at the Mt. Carmel Baptist Church Cemetery, in Ohio County, KY.

Kentucky: A History of the State (J. H. Battle, W. H. Perrin & G. C. Kniffin, 18885, Ohio County section):

DR. JOHN WILLIAM PATTON was born December 23, 1835, in Daviess County, Ky., and is the eldest of ten children born to Thornton and Rebecca (Jones) Patton, both natives of Virginia. Thornton Patton, in 1805, the year of his birth, was brought to Kentucky, by his parents, John and Delilah (Vance) Patton, who settled in Allen County, where they resided until their death. In 1830 Thornton Patton came to Ohio County, and engaged in the distilling business with his brother, John Patton. Here he married the daughter of James and Sallie (Sims) Jones, and soon after removed to Indiana; returning, settled in Ohio County where he died. At seventeen. Dr. J. W. Patton began working at the wheelwright trade, which he continued until his marriage with Malinda Hoover, December 7, 1859. He then engaged in farming and rafting on Rough Creek and Green River, at which he lost his health. He then studied medicine and managed the farm. He took a course of lectures at Louisville University and graduated in 1875, and practiced and farmed since. In business matters he has been very successful, having by personal efforts acquired a fine farm of 237 acres and other valuable property. Dr. and Mrs. Patton have six children living: Cicero M., Sarah F., James L., Mary A., Delilah A. and Clayton A. The Doctor is a Baptist and in politics a Democrat.

JAMES H. PATTON was born February 22, 1839, in this county, and is the third of a family of ten children born to Thornton and Rebecca (Jones) Patton. The father was born in Allen County, Ky., a son of John Patton, a native of Virginia, who came to Kentucky in 1800. The mother, when eleven years old, came with her father, James Jones' family to Kentucky; she died January 28, 1882, and her husband December 30, 1884. They were members of the United Baptist Church. Our subject has been a farmer since boyhood. When of age he worked out by the month, and worked for others for some nine years. With his earnings he bought a small farm which he improved, then sold out and bought his present farm consisting of eighty acres of fertile land, principally under cultivation. He was married to Miss Lucy C. Coleman, October 27, 1870, daughter of Frank and Sarah E. (Bennett) Coleman, of Ohio County. By this union they have one child — Ada R. Mr. Patton is a Mason, and in politics a Democrat. His wife is a Methodist.

.....

On 9 March 1985 this writer (Jerry Long) visited (Miss) Mary Arnold Patton (1907-1988) at her home, 1219 Western Court, in Owensboro, KY. We were 2nd cousins twice removed through the Pate family - her grandmother Sallie Mary (Pate) Patton was a sister to my great-great-grandmother, Elizabeth Jane (Pate) Taylor. Miss Patton was the daughter of Luther Mason Patton (1869-1945) & Lona Ella May, granddaughter of John Robert Patton (1832-1889) &

Sallie Mary Pate, great-granddaughter of John William Patton (1799-1859) & Henrietta Hudson, and great-great-granddaughter of John Patton (1771-1856) & Delilah Vance.

Mary Patton knew a lot about her family and helped in filling in connections to the Patton family of my Pate and Taylor ancestral lines. She allowed me to make copies of several pictures she had of the children of John Robert Patton & Sallie Mary Pate.

Mary Arnold Patton had no immediate relatives when she died in 1988. Her family pictures and papers were given to her neighbor, Lizzie Mae Freitag, who subsequently gave them to her sister, Lorena Simpson. Later when Mrs. Simpson was looking for a home for the items they were claimed by Shirley Timbrook, an Owensboro genealogy enthusiast. Shirley was a frequent visitor to the Kentucky Room at the Daviess County Public Library in Owensboro, where I was an employee. When Miss Timbrook learned of my family connection she gave me the family items of the late Mary Arnold Patton on 16 September 1991.

They included the following family papers and pictures:
