

**“Lineage Lines” Articles  
(1972-1998)  
By Harry D. Tinsley**

Harry D. Tinsley. Picture was taken by Jerry Long on 13 February 1990 on a visit to the Johnston Cemetery, Narrows-Shultz Road, Ohio County, KY.

The “Lineage Lines”, a genealogy-history column by Harry D. Tinsley (1923-2020), was published in the Hartford, KY newspapers Ohio County News and Ohio County Times-News (3 August 1972 - 20 August 1998). The newspapers were published weekly. In some weeks his column did not appear.

In 2011 Jerry Long made copies of all of Mr. Tinsley’s columns and compiled them into a 7-volume set that was placed in the Kentucky Room at the Daviess County Public Library in Owensboro, KY (catalog # KR 976.9835 Tins) and at the Ohio County Public Library in Hartford, KY.

The following subject listing of the “Lineage Lines” columns was compiled by Linda Shown, Helen McKeown and Jerry Long. In the table of contents following the date is the title or a brief description of each column. The year in parenthesis is the date of the original source. In parenthesis below the title are some of the main families named in that column in addition to those listed in the title. Surnames were not listed for columns that contained lengthy lists of individuals.
