

Daviess County Estates 1815-1864

By Jerry Long

Transcriptions of the following three volumes found at the Daviess County Courthouse in Owensboro, KY:

1. "Index to Estates and Administrations, 1815-1864;" transcribed by Michael J. Edgeworth and published in the periodical Kentucky Family Records, Volume 3, West-Central Family Research Association, Owensboro, KY, 1972-1973, pages 25-48
2. "Administrator Bond Book 1, 1834-1852"; copy at Daviess County Courthouse, transcribed by Jerry Long
3. "Administrator Bond Book 1A, 1834-1852"; copy at Daviess County Courthouse, transcribed by Jerry Long

The transcription of number 1 ("Index to Estates and Administrations, 1815-1864") is annotated by Jerry Long. Corrections and additions (to names or dates) were added to the transcription (of number 1) with information from number 2 ("Daviess County, KY Administrator Bond Book 1, 1834-1852") or number 3 ("Daviess County, KY Administrator Bond Book 1A, 1834-1852") found at the Daviess County Courthouse in Owensboro, KY. In the listing the corrections and additions (from numbers 2 & 3) are within brackets [...]. If the names were the same as given in number 1 they were not repeated in the annotations. A few annotated entries within brackets that are preceded by * are entries not found in number 1 ("Index to Estates and Administrations, 1815-1864"). The original copies of numbers 2 & 3 were reviewed to get a correct interpretation. The original copy of number 1, however, was not located and was not reviewed; this volume is not among the microfilm collection of Ancestry.com or the Church of Latter Day Saints (familsearch.org). In the following transcription the security / securities on bond are listed on line following the executor or administrator.

Kentucky Family Records, Volume 3, West-Central Kentucky Family Research Association, Owensboro, KY, 1972-1973, pages 25-48:

Index to Estates and Administrations, Daviess County, Kentucky, 1815-1864

Contributed by Michael J. Edgeworth, 127 W. 17th St., Owensboro, Ky. 42301

This old leather book was discovered in the attic at the old Daviess County Courthouse, Owensboro, Kentucky, on March 20, 1964, during the move to the new courthouse building. The index covers many estates not listed elsewhere. It is believed that the keeping of the index was interrupted by the burning of the Daviess County, Kentucky courthouse in January 1864 during the Civil War, Not having been complete, the book was consigned to the attic.
